1. Disqualification offences and disqualification periods: passenger transport drivers

- (1) Each offence described in column 1 of the Table is prescribed for the purposes of Part 5 of the Act as a disqualification offence.
- (2) If particular circumstances are set out opposite a disqualification offence in column 2 of the Table, the offence is a disqualification offence for the purposes of Part 5 of the Act only in those circumstances.
- (3) The disqualification period that applies to a disqualification offence is the period set out opposite that offence in column 3 of the Table.
- (4) A reference in column 1 of the Table to a penalty of imprisonment for which an offender is liable is a reference to the maximum penalty of imprisonment that could be imposed on an individual convicted of the offence (or, in the case of a summary conviction, to the maximum penalty of imprisonment that could be imposed on an individual on summary conviction) regardless of the penalty actually imposed and whether a fine could also, or alternatively, be imposed.
- (5) A reference in column 2 of the Table —
 - (a) to a 2nd or subsequent conviction is a reference to a conviction for the disqualification offence referred to in column 1 of the Table that occurs within 20 years after a prior conviction for that offence; and
