

WESTERN AUSTRALIA.

ANNO TRICESIMO SECUNDO

VICTORIÆ REGINÆ.

NO. IV.

AN ORDINANCE for securing to Samuel Golay, for a limited period, the exclusive benefit of a certain Invention.

[3rd August, 1868.]

WHEREAS Samuel Golay, of Paris, in the empire of France, Preamble.
Miller and Machinist, hath represented that he is in possession of an invention for improvements in cutting and dressing Millstones, and in apparatus to be employed for such purposes, which invention he believes will be of great public utility within this Colony, and hath requested that an Ordinance may be passed securing to him, his executors, administrators, and assigns, the exclu-

Samuel Golay's Invention.

sive benefit of such invention for a limited time:—Be it therefore enacted by His Excellency the Governor of Western Australia and its dependencies, by and with the advice and consent of the Legislative Council thereof, as follows:—

Exclusive benefit of invention given to Samuel Golay.

1 THE said Samuel Golay, his executors, administrators, and assigns shall have and enjoy and the said Governor and Legislative Council hath and have hereby granted to him and them, the sole benefit and advantage of using such invention or discovery in the said Colony, for and during the space of Fourteen years next after the passing of this Ordinance.

Remedy in case exclusive benefit is infringed.

2 IF any person during the said term of fourteen years, shall either directly or indirectly, make, use or put in practice the said invention, or any part of the same, or in anywise counterfeit, imitate or resemble the same, or make or cause to be made, any addition thereto or subtraction from the same, whereby to pretend himself the inventor or devisor thereof, without the license of the said Samuel Golay, his executors, administrators, or assigns, the said Samuel Golay, his executors, administrators, and assigns shall have and be entitled to such and the like remedies against such person, both at Law and in Equity, as the Grantee in England of any Letters patent for any invention, would be entitled to in the like case by the Law of England.

Invention to be described and forms to be complied with.

3 IF the said Samuel Golay shall not particularly describe and ascertain the nature of such invention or discovery and the manner in which the same is to be used, by an instrument in writing under his hand and cause the same to be delivered within Twelve months after the passing of this Ordinance, to the Colonial Secretary of the said Colony, then all privileges and advantages hereby granted to the said Samuel Golay, his executors, administrators, and assigns shall entirely cease, determine and become void, anything hereinbefore contained to the contrary notwithstanding.

Instrument to be recorded.

4 THE Colonial Secretary shall on the Second day of August now next ensuing, or on any earlier day, if required by the said Samuel Golay, his executors, administrators, or assigns, or his or their Attorney, break the Seal of the said instrument in writing or specification and record the same in his Office.

If it should not be a new invention or prove prejudicial, privileges to cease.

5 IF at any time during the said term of fourteen years, it shall be made to appear, that the said invention is not a new invention, as to the public use and exercise thereof, or that the said Samuel Golay
