- (a) as from the commencement of the Fund, until the date mentioned in paragraph (b) of this subsection, be in the same proportion as the aggregate of the gross premiums received by it, in the year ended the thirtieth day of June, one thousand nine hundred and forty-eight, bears to the aggregate of the gross premiums received by all the participating approved insurers, in that year; and
- (b) on the thirtieth day of June, one thousand nine hundred and sixty-four, be such as is shown in the books of accounts of the Trust, as at that date; and
- (c) after the date mentioned in paragraph (b) of this subsection, be such as is determined under the provisions of subsection (4) of this section.

(2) For the purpose of subsection (1) of this section a premium received during the year ended on the thirtieth day of June, one thousand nine hundred and forty-eight, means a premium received during that year by a participating approved insurer as an approved insurer under this Act in respect of any insurance that commenced during that year either by way of the issue or the renewal of a policy of insurance.

(3) Subject to any determination made under the provisions of subsection (4) of this section, the interest in the Fund of a transferee insurer is the interest or that part of the interest in the Fund of a participating approved insurer which is transferred to the transferee insurer pursuant to subsection (5) of this section.

- (ii) shall be deemed to be a participating approved insurer for the purposes of this Act.

(6) (a) A participating approved insurer may, on giving to the Trust at any time before the thirty-first day of December in any one year written notice of its intention so to do, withdraw from participation in and contribution to the Fund on and including the thirtieth day of June in the year next succeeding the thirty-first day of December, before which the notice was given.

(b) Where a participating approved insurer so withdraws, the interest of that insurer shall be apportioned among the remaining participating approved insurers in proportion to their interests as they then exist in the Fund.

(7) (a) Where both the Trust and the Minister are satisfied that proceedings have been taken, whether in or out of the State, under any Act of the Parliament or any other Act, for the purpose of winding up or dissolving a participating approved insurer, on the ground that the insurer is unable to pay its debts, the Trust may, with the written approval of the Minister, by notice sent to that insurer, the liquidator of that insurer or the receiver or manager of the property of that insurer, declare that, as from—

- (i) the thirtieth day of June immediately preceding the commencement of those proceedings; or
- (ii) the thirtieth day of June immediately following the making of any order, in those proceedings, winding up or dissolving the insurer,

as the Trust may specify, the insurer shall cease to be a participating approved insurer and the insurer, by force of this subsection, ceases, as from the day so specified, to be a participating approved insurer.

(4) The whole or any part of the contributions to the Fund required by the Trust may, at the discretion of the Trust, be repaid at any time out of the Fund to the participating approved insurers.

(5) If a participating approved insurer shall fail to pay any contribution to the Trust within a period of thirty days after a written notice requiring payment has been sent to it by the Trust by registered post, then the Trust may, by notice in writing to such participating approved insurer, at its discretion, declare that such participating approved insurer shall as and from a date to be fixed by the Trust cease to be a participating approved insurer for the purposes of this Act, whereupon its interest in the Fund shall be apportioned among the remaining participating approved insurers in proportion to the then existing interest of each of them in the Fund.

(7) (a) The Trust shall dispose of the amount of any surplus that remains to the credit of any annual account after all the administration and general expenses and claims referred to in subsection (4) of this section have been finalised in the following order, this is to say—

(i) firstly, by crediting the respective account of each participating approved insurer for the year to which that annual account relates, with an amount not exceeding five per centum of its proportion of the total amount of the premiums received by the Trust for that year;

S. 3F.

-
- (ii) secondly, by applying all or any part of the amount of the then balance of the remaining surplus,
- (I) against a deficit incurred in any previous year by crediting the annual account for that year with the amount so applied or by crediting the respective account of each participating approved insurer for that year with a proportion of the amount so applied according to his interest in the Fund for that year; or
 - (II) in payment of any unpaid dividend for any previous year to the respective participating approved insurers for that year to an amount not exceeding five per centum of its proportion of the total amount of the premiums received by the Trust for that year, or where the amount of the dividend so paid for that year was less than that percentage, in payment of the difference between the amount of dividend so paid and that percentage,
- as the Trust may determine;
- (iii) thirdly, by transferring and applying from the amount of the then balance of the remaining surplus to a fund, to be called "The Disaster Reserve Fund", a sum not exceeding twenty-four thousand dollars per year, but the amount standing to the credit of the Fund shall not at any time exceed the sum of two hundred thousand dollars; and
- (iv) fourthly, in holding and applying the amount of the then balance of the remaining surplus to the credit of the annual account for the next succeeding year.

(b) Any amount standing to the credit of an account of a participating approved insurer may be paid by the Trust to it at any time if the amount so paid together with all payments made in accordance with subsection (6) of this section does not exceed five per centum of its proportion of the total amount of premiums received by the Trust to and including the thirtieth day of June immediately preceding the day the amount is paid to the approved participating insurer.

(c) Paragraph (b) of this subsection does not affect any payments made by the Trust to an approved participating insurer prior to the thirtieth day of June, nineteen hundred and sixty-four.

(d) The Trust is entitled at any time to withdraw from The Disaster Reserve Fund such amount as may be necessary to complete or satisfy any claim or judgment exceeding the sum of sixty thousand dollars or any claims or judgments arising out of one accident where the total claims or judgments exceed that sum, and the amount of any such claims or judgments may be recovered from the Trust under this Act.

(e) For the purposes of subsections (6) and (7) of this section, the participating approved insurer's proportion of the premiums for each year in which it was such an insurer, is the same as its proportion in the Fund for that year.

(f) When a participating approved insurer withdraws from the Fund and—

- (i) the claims in respect of all years in which it participated have been finalised; and
- (ii) there remains a balance after the payment of dividends for those years at the rate referred to in subsection (6) of this section, which but for the provisions of this section would be payable to that participating approved insurer, the Trust may pay and apply in accordance with this subsection,

S. 3P.

that balance by adding it to the surplus or deducting it from the deficit shown in any annual account in respect of any year in which the participating approved insurer was not such an insurer.

(g) Where pursuant to the provisions of subsection (7) of section three L of this Act, a participating approved insurer ceases to be such an insurer, no dividend in respect of any years to which the insurer might, but for this paragraph, be entitled shall thereafter be paid or credited to it or any person on its behalf or at the discretion of the Trust, until all claims in respect of all years in which it was such an insurer have been finalised; and, notwithstanding any Act to the contrary, where—

- (i) the claims in respect of all years during which the insurer was participating have been finalised; and
- (ii) there remains a balance that, but for the provisions of this paragraph would be payable to the insurer,

the Trust, may pay and apply the balance by adding it to the surplus, or deducting it from the deficit in the Fund, in respect of any year in which that insurer was not a participating approved insurer; and where there remains a debt due by the insurer, the liability for so much of that debt as is not recovered from that insurer shall be apportioned among the remaining participating approved insurers in proportion to their interests as they then exist in the Fund.

(8) (a) The deficit, if any, to the debit of each account referred to in subsection (4) of this section that remains after all claims referred to in that subsection have been finalised, becomes the liability of the participating approved insurers during the year to which the account relates in proportion to the interest of each of them in the Fund during that year and the Trust may recover from each participating approved insurer the proportionate amount at any time deemed expedient to the Trust.

(b) The provisions of subsection (5) of section three N of this Act apply to the recovery by the Trust of the proportionate amount, as though the proportionate amount were an amount payable by a participating approved insurer by way of contribution under the provisions of that section.

(c) A claim by the Trust against a participating approved insurer under this subsection is not barred or extinguished by any lapse of time and no statute, enactment or rule of law relating to any period in which actions may or shall be brought or commenced applies to the claim.

Provided that he shall not be entitled to so recover unless he proves that he gave to the Trust notice of the claim and a short statement of the grounds thereof as soon as practicable after he knew that the insured person was dead or could not be served with process, or that such notice was given within such time as would prevent the possibility of the Trust being prejudiced by want of such notice.

(3)¹ Where the driver of a motor vehicle has caused death or bodily injury by negligence in the use of a motor vehicle but the identity of the vehicle cannot be ascertained, any person who could have obtained a judgment in respect of the death or bodily injury so caused against that driver may obtain by action against the Trust the judgment which, in the circumstances, he could have recovered against the driver of the vehicle: Provided that as soon as practicable after the happening of the accident
