Guide for using this reprint

What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original Act and legislation that has amended its text are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. Validation, transitional, savings, or other provisions identified in the Compilation table may be important. The table may refer to another endnote setting out the text of these provisions in full.
3. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the Act being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

Notes amongst text (italicised and within square brackets)

1. If the reprint includes a section that was inserted, or has been amended, since the Act being reprinted was passed, editorial notes at the foot of the section give some history of how the section came to be as it is. If the section replaced an earlier section, no history of the earlier section is given (the full history of the Act is in the Compilation table).

Notes of this kind may also be at the foot of Schedules or headings.

2. The other kind of editorial note shows something has been —
 - removed (because it was repealed or deleted from the law); or
 - omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything removed or omitted can be found in an earlier reprint (if there is one) or one of the written laws identified in the Compilation table.

Reprint numbering and date

1. The reprint number (in the footer of each page of the document) shows how many times the Act has been reprinted. For example, numbering a reprint as “Reprint 3” would mean that the reprint was the 3rd reprint since the Act was passed. Reprint numbering was implemented as from 1 January 2003.
2. The information in the reprint is current on the date shown as the date as at which the Act is reprinted. That date is not the date when the reprint was published by the State Law Publisher and it is probably not the date when the most recent amendment had effect.

[Section 7A inserted by No. 31 of 1995 s. 27; amended by No. 14 of 1996 s. 4.]

7A1. Reference of proposed town planning schemes, and proposed amendments to town planning schemes, to Environmental Protection Authority

When a local government resolves to prepare or adopt a town planning scheme, or to prepare an amendment to a town planning scheme, under section 7, the local government shall

s. 7A2

forthwith refer the proposed town planning scheme or amendment to the EPA by giving to the EPA —

- (a) written notice of that resolution; and
- (b) such written information about the town planning scheme or amendment as is sufficient to enable the EPA to comply with section 48A of the EP Act in relation to the town planning scheme or amendment.

[Section 7A1 inserted by No. 23 of 1996 s. 45; amended by No. 57 of 1997 s. 121(1).]

7A2. Prerequisite to advertisement of proposed town planning schemes and proposed amendments to town planning schemes

- (1) When the EPA has acted under section 48C(1)(a) of the EP Act in relation to a proposed town planning scheme or a proposed amendment to a town planning scheme, the local government concerned shall, if it wishes to proceed with that town planning scheme or amendment, undertake, or cause under subsection (4) to be undertaken, an environmental review of that town planning scheme or amendment in accordance with the relevant instructions issued under that section and shall not advertise that town planning scheme or amendment under section 7(2)(a) until —
 - (a) the local government has forwarded that review to the EPA; and
 - (b) the EPA has advised that that review has been undertaken in accordance with those instructions, or 30 days have elapsed since that forwarding without the EPA having advised whether or not that review has been undertaken in accordance with those instructions, whichever first occurs.

- (2) If the EPA has advised that the review has not been undertaken in accordance with the relevant instructions issued under section 48C(1)(a) of the EP Act, the local government may —
- (a) comply with subsection (1) in respect of the town planning scheme or amendment concerned; or
 - (b) request the Minister to consult the Minister for the Environment and, if possible, agree with him on whether or not the review has been undertaken in accordance with those instructions.

- (a) agree on whether or not the review has been undertaken in accordance with the relevant instructions, their decision shall be final and without appeal; or
 - (b) cannot so agree, section 48J of the EP Act applies.
- (4) If the resolution to prepare or adopt a town planning scheme, or to prepare an amendment to a town planning scheme, referred to in subsection (1) was passed at the request of the owner of land to which that town planning scheme or amendment relates and the local government referred to in that subsection by notice in writing served on that owner so requests, that owner shall, if that owner wishes that town planning scheme or amendment to be proceeded with, undertake an environmental review of that town planning scheme or amendment in accordance with the relevant instructions issued under section 48C(1)(a) of the EP Act and forward that review to that local government.
- (5) A local government may, in accordance with regulations made under section 9(2b), recover the expenses incurred by the local government in undertaking an environmental review in accordance with instructions issued under section 48C(1)(a) of the EP Act.

[Section 7A2 inserted by No. 23 of 1996 s. 45; amended by No. 57 of 1997 s. 121(1).]

s. 7A3

When a local government has been informed under section 48A(1)(b)(i) of the EP Act that a proposed town planning scheme or amendment should be assessed by the EPA under Division 3 of Part IV of the EP Act, the local government shall —

- (a) as soon as practicable, but in any event within 7 days after the expiry of the period during which that town planning scheme or amendment is advertised under section 7(2)(a), transmit to the EPA a copy of each submission —

- (i) made during that period; and
 - (ii) relating wholly or in part to environmental issues raised by that town planning scheme or amendment;

and

- (b) within 42 days, or such longer period as the Minister allows, after the expiry of the period referred to in paragraph (a)(i) inform the EPA of its views on and response to the environmental issues raised by submissions referred to in paragraph (a) and received within that period.

[Section 7A3 inserted by No. 23 of 1996 s. 45; amended by No. 57 of 1997 s. 121(1).]

7A4. Prerequisite to final approval by Minister of proposed town planning schemes and proposed amendments to town planning schemes

The Minister shall not approve under section 7(2a)(a) of a proposed town planning scheme or amendment referred to the EPA under section 7A1 if he or she has reached agreement with the Minister for the Environment under section 48A(2)(b) of the EP Act, or until —

- (a) he is informed under section 48A(1)(a) of the EP Act that the EPA considers that that town planning scheme

or amendment should not be assessed by the EPA under Division 3 of Part IV of the EP Act;

- (b) he has received a statement delivered under section 48F(2), or a decision has been made under section 48J, of the EP Act in respect of the conditions, if any, to which that town planning scheme or amendment is subject; or
- (c) the period of 28 days referred to in section 48A(1)(b)(i) of the EP Act has expired without the EPA having informed the local government under that section,

whichever first occurs, and he is satisfied that the conditions, if any, to which that town planning scheme or amendment is subject have been incorporated into that town planning scheme or amendment.

[Section 7A4 inserted by No. 23 of 1996 s. 45; amended by No. 57 of 1997 s. 121(1).]

7AA. Review of schemes

- (ii) invite submissions from the public on the desirability of a review of the scheme,

and the report shall include all such submissions and the local government's recommendations thereon.

- (b) Where a report of the local government recommends a review of the scheme, or the Minister after considering a report advises the local government that a review is desirable, the scheme shall be reviewed within the period of 6 months or such longer period as the Minister may in writing agree from the date of the report or the date of the Minister's advice as the case may be.
 - (c) Where a report of the local government recommends the revocation of the scheme without a review thereof, or the Minister after considering a report advises the local government that it is desirable that the scheme be revoked without a review thereof, the scheme shall be revoked pursuant to section 7(4)(c) as soon as practicable after the date of the report or the date of the Minister's advice as the case may be.

come into force subsequently) to be acceptable for the purposes of this section; and

- (b) direct that the review be effected by the making of the scheme so declared,

and, where he does so, that consolidated scheme shall, without affecting its continuation in force as a town planning scheme, be treated for the purpose of review pursuant to regulations made under this Act as if it were a proposed scheme in respect of which the Minister had given consent to public submissions being sought as provided in such regulations.

- (3b) A reference in this or any other Act to a scheme prepared in accordance with section 7 shall be read as including a reference to a scheme prepared on review in accordance with subsection (3) or (3a).

s. 7B

- (b) Nothing in an interim development order prevents the continuance of the use of any land or building for the purposes for which the land or building was being lawfully used, or the carrying out of any development for which, immediately prior to the coming into operation of the order, a permit or permits, if any required by or under this or any other Act authorising the development to be carried out had been obtained and were current.
- (2)
 - (a) Upon the making of an interim development order, the local government in whose district the order applies shall cause to be published in the *Gazette* and 3 times in a daily newspaper circulating in that district, a notice containing a summary of the order and stating that copies of the order will be made available by the Minister for inspection by any person free of charge at the offices of the Commission and of the local government or local governments within the area or areas affected by the order.
 - (b) Subject to the provisions of subsection (3), an interim development order made under this section has effect from the date of publication in the *Gazette* of the notice in accordance with the provisions of paragraph (a), as though its provisions were enacted by this Act.
- (3) An interim development order made under this section that applies to a district or part of a district ceases to have effect in that district or that part —
 - (a) when a town planning scheme made in accordance with this Act comes into force with respect to that district or that part;
 - (b) when the order is revoked by the Minister, by notice of revocation published in the *Gazette* under subsection (10); or

- (c) at the expiration of 3 years from the day on which the order first applies to the district or the part,

but the Minister may, by notice published in the *Gazette* before the order ceases to have effect under paragraph (c), extend its operation for a further period, not exceeding 12 months, and may if he thinks fit exercise such power of extension more than once.

- (4) An interim development order made under this section shall be administered by the local government or local governments specified in the order.
- (5) An interim development order made under this section may —

 - (ii) regulate, restrict or prohibit any specified class of development within the district or such part or parts thereof as are specified in the order;

s. 7B

- (b) provide that the permission of the local government in writing for the carrying out of any development referred to in the order, if granted, may be granted subject to such conditions as the local government deems necessary to impose, including, without limiting the generality of the conditions, —

 - (d) subject to the provisions of subsection (1)(b), suspend, vary, supplement or supersede any of the provisions of any of the local laws in force under the *Local Government Act 1995* and the *Local Government (Miscellaneous Provisions) Act 1960*, in the district or part of the district to which the interim development order applies.
- (6) (a) Subject to paragraph (c), if an applicant is aggrieved by the refusal of a permit or by the conditions subject to which a permit is granted, the applicant may apply to the State Administrative Tribunal for a review, in accordance with Part V, of the decision to refuse or to impose the conditions.

the interim development order or of any Order made under Part 6, or Order in Council made under section 80, of the *Heritage of Western Australia Act 1990*.

- (d) Where a local government administering an interim development order fails to grant its permission within a period of 60 days after the receipt by it of an application for permission to carry out any development referred to in this section, or, in the case of land in relation to which the local government has referred the application to the Heritage Council and has so notified the applicant, where a period of 60 days has elapsed since that notification and the local government has failed to make its decision known, the applicant may regard the failure as a refusal of permission and may apply for a review as provided in paragraph (a).
- (7) (a) Subject to subsection (1)(b), a person who —
- (i) contravenes or fails to comply with an interim development order;
 - (ii) commences or continues to carry out any development which is required to comply with an interim development order otherwise than in accordance with that order or otherwise than in accordance with any condition imposed with respect to the development by a local government administering that order pursuant to its powers under the order; or

- (i) to remove, pull down, take up, or alter any building or work; or
 - (ii) to cease any development commenced, continued or carried out,
- in contravention of the provisions of the order on that land, and subject to the provisions of paragraph (b), if the owner or owners, as the case may be, fail or refuse to comply with the notice within the time specified therein, the local government may itself remove, pull down, take up or alter the building, work or development accordingly.
- (b) The owner or owners on whom a notice is served under paragraph (a) may apply to the State Administrative Tribunal for a review, in accordance with Part V, of the decision to give any direction in the notice.
- (ba) If the State Administrative Tribunal affirms, varies or substitutes the direction, the owner or owners shall comply with the direction as so affirmed, varied or substituted.
- (c) Any expenses incurred by the local government under the provisions of paragraph (a) may be recovered from the owner or owners of the land on which the building or work was so commenced, continued or carried out as a debt due to it by the owner or owners.
- (9) Where a public authority or local government desires to carry out, within an area to which a current interim development order relates, any work or undertaking that is not exempted by the provisions of the order but which, in the opinion of the local government administering that order, would not be in

conformity with the proposed town planning scheme for the district in which the area is situated, if, after consultation between the public authority or local government desiring to carry out the work or undertaking and the local government administering the order, agreement is not reached with respect to the coordination of the work or undertaking with the proposals to be included in the scheme the local government may submit the matter to the Minister for determination by the Governor and the Governor may by Order in Council —

- (a) prohibit absolutely or for such period as he thinks fit; or
- (b) restrict, or regulate, or permit,

the carrying out of the work or undertaking or any part thereof subject to such conditions as he may specify in the Order in Council which order has effect accordingly subject to any provision of law inconsistent therewith.

 - (b) The Minister may at any time make an order amending an interim development order and the provisions of subsection (2) apply mutatis mutandis to any order amending an interim development order as though the amending order were an interim development order.
- (11) A town planning scheme relating to a district or part of a district and that is operating therein and any local laws in force made under the *Local Government Act 1995* and the *Local Government (Miscellaneous Provisions) Act 1960*, or any Act for which that Act is in substitution remains in force subject to the provisions of any interim development order applying to that district or that part and where any of the provisions of the town planning scheme or of the local laws are inconsistent with any of the provisions of the interim development order, the provisions of the interim development order prevail.

s. 7B

- (12) (a) No compensation for injurious affection to any land within a district or for loss arising from any other cause is payable under this Act as a result of the operation of an interim development order unless —
- (i) the local government administering the interim development order —
- refuses an application made pursuant to the order for permission to carry out development on the land; or
- grants permission for the carrying out of the development on the land subject to conditions on the ground that the proposed town planning scheme for the district is to include that land within a reservation for public purposes; and
- (ii) any decision for the review of which the claimant has made an application under subsection (6) has been affirmed in whole or in part by the State Administrative Tribunal.
- (b) Where compensation is claimed under paragraph (a), the compensation shall be determined by arbitration in accordance with the Commercial Arbitration Act 1985 or by some other method agreed upon by the parties, but instead of the payment of compensation determined under this subsection, the local government may, and shall at the request of the claimant, purchase the land injuriously affected at a price not exceeding the value of the land at the time of the refusal of permission or of the grant of permission subject to conditions, without regard to any increase in value attributable wholly or in part to the proposed town planning scheme for the district in which the land is situated.

8. General provisions of schemes

- (1) The Minister may, by regulation, prescribe a set of general provisions (or separate sets of general provisions adapted for areas of any special character) for carrying out the general objects of town planning schemes, and in particular for dealing with the matters set out in the First Schedule.
- (1a) Where a town planning scheme is made in respect of an area, any general provision, appropriate to the area, that is in force under subsection (1) when the scheme is approved by the Minister, shall have effect as part of the scheme, except so far as the scheme, as approved by the Minister, provides for the variation or exclusion of that provision.
- (2) Special provisions shall, in addition, be inserted in every town planning scheme —
 - (a) defining in such manner as may be prescribed by regulations under this Act the area to which the scheme is to apply; and
 - (b) defining the local government to be responsible for enforcing the observance of the scheme, and for the execution of any works which, under the scheme or this Act, are to be executed by a local government (in this Act referred to as the responsible authority); and
 - (c) providing for any matters which may be dealt with by general provisions, and otherwise supplementing, excluding, or varying the general provisions; and also dealing with any special circumstances or contingencies for which adequate provision is not made by the general provisions.
- (3) Where land included in a town planning scheme is in the districts of more than one local government, or is in the district of a local government by which the scheme was not prepared,

s. 8A

the responsible authority may be one of those local governments, or for certain purposes of the scheme one local government, and for other purposes of the scheme another local government.

 - (c) the authority has refused the application or has granted it subject to any condition,

the applicant may apply to the State Administrative Tribunal for a review, in accordance with Part V, of the responsible authority's decision.

- (2) Subsection (1) does not affect the operation of a right given or taken to be given by a town planning scheme to apply for a review of a decision; but, where rights are given or taken to be given by a scheme and under subsection (1), the exercise of one of those rights extinguishes the other right to apply for a review of the same decision.

 - (b) that the responsible authority did not accept for consideration an objection to that town planning scheme or amendment to a town planning scheme, as the case may be, being an objection that was made on or before the proper date but was not made —

11. Compensation

- (1) Any person whose land or property is injuriously affected by the making of a town planning scheme shall, if such person makes a claim within the time, if any, limited by the scheme (such time not being less than 6 months after the date when notice of the approval of the scheme is published in the manner prescribed by the regulations), be entitled to obtain compensation in respect thereof from the responsible authority:

Provided that a person shall not be entitled to obtain compensation under this section on account of any building erected, or any contract made, or other thing done with respect to land included in a scheme after the date of the approval of a scheme, or after such other date as the Minister may fix for the purpose, being not earlier than the date of the approval of the scheme.

Provided also that the local government may make agreements with owners for the development of their land during the time that the town planning scheme is being prepared.
