Agriculture and Related Resources Protection Act 1976

**Agriculture and Related
Resources Protection (Poison)
Regulations 1983**

Reprint 1: The regulations as at 5 December 2003

Guide for using this reprint

What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original regulations are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions that would amend the text if they were to come into operation. The table refers to another endnote setting out the text of the amendments in full.

Notes amongst text (italicised and within square brackets)

Editorial notes show if something has been omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything omitted can be found in an earlier reprint (if there is one) or the regulations as published.

Reprint numbering and date

1. The reprint number (in the footer of each page of the document) shows how many times the regulations have been reprinted. For example, numbering a reprint as “Reprint 3” would mean that the reprint was the 3rd reprint since the regulations were published. Reprint numbering was implemented as from 1 January 2003.
2. The information in the reprint is current on the date shown as the date as at which the regulations are reprinted. That date is not the date when the reprint was published by the State Law Publisher and it is probably not the date when the most recent amendment had effect.

Agriculture and Related Resources Protection Act 1976

Agriculture and Related Resources Protection (Poison) Regulations 1983

1. Citation

These regulations may be cited as the *Agriculture and Related Resources Protection (Poison) Regulations 1983*¹.

2. Commencement

These regulations shall come into operation on the 28th day after the day on which they are published in the *Government Gazette*¹.

3. Repeal

The *Vermin Act (Poison Baits) Regulations 1965*, as amended, are repealed.

4. Interpretation

In these regulations, unless the contrary intention appears —
“**built-up area**” means an area which is built up with structures devoted to business, industry or dwelling-houses at

r. 5

intervals of less than 100 metres for a distance of one half kilometre or more;

“**poison**” means a poison listed in the Schedule to these regulations;

“**special rural zone**” means land which is zoned as a special rural zone under the provisions of a town planning scheme in force under the *Town Planning and Development Act 1928*;

“**subregulation**” means a subregulation of the regulation in which the term is used.

5. Sodium fluoroacetate

It shall not be lawful to lay baits containing sodium fluoroacetate for the purpose of destroying declared animals except in accordance with the *Pesticides Regulations*² made under the *Health Act 1911*.

6. Laying poison prohibited in certain areas

A person, other than an inspector or authorised person, shall not lay poison for the purpose of destroying declared animals on any land within 20 metres of a road, reserve or public place that is in a built-up area or in a special rural zone.

Penalty: \$200.

7. Notice of intention to lay poison

- (1) A person shall not lay poison in a special rural zone or in a built-up area unless, at least 24 hours prior to laying such poison, he has given notice of his intention to lay poison to every owner of land contiguous with the land on which he intends to lay the poison and to the council of the municipality in which the land is located.

Penalty: \$200.

- (2) A notice referred to in subregulation (1) shall be in writing and shall specify —
- (a) the date on which it is intended to lay the poison;
 - (b) the location of the land on which it is intended to lay the poison; and
 - (c) the type of poison it is intended to lay.

8. Erection of signs

- (1) A person who lays poison in a special rural zone, in a built-up area or on any road, reserve or public place outside a built-up area without erecting on that land prominently displayed signs indicating that poison has been laid is guilty of an offence.
Penalty: \$200.
- (2) A person who fails to ensure that a sign he has erected pursuant to subregulation (1) remains in position until the poison he has laid is used or destroyed is guilty of an offence.
Penalty: \$200.

9. Securing bait

A person who lays poison in a special rural zone or in a built-up area shall ensure that the bait is secured or buried.
Penalty: \$200.

10. Destroying baits

A person who lays poison baits shall ensure that any bait which is not used is destroyed by being buried or burnt in such a manner as to prevent access to the remains by animals.
Penalty: \$200.

Schedule

Schedule

Strychnine.
