- (2) The extent of the undivided share in land and chattels referred to in subsection (1) is the same proportion of the value of the land and chattels situated in Western Australia to which the company is beneficially entitled as the proportion of the property of the company which the trustee would be entitled to claim in a distribution of property, as provided in section 76(5), if the company were to be wound up at the time of the disposition effected or evidenced by the relevant transfer or instrument.

- (2) For the purposes of sections 73DC, 73DD and 73DE, an interest acquired or held by a custodian trustee on behalf of a person is taken to have been acquired, or to be held, by the person.
- (3) For the purposes of section 73DC, 73DD and 73DE, a person and another person are related if —
- (a) they are related as provided in section 63(5); or

[Section 73DB inserted by No. 66 of 2003 s. 33.]

73DC. Acquisition of majority interest or further interest in pooled investment trust

- (1) Despite section 73D(11) and subject to this section, duty is chargeable under section 73D in respect of a disposition of a unit in a registered unit trust scheme if, as a result of the disposition, a person acquires, or a person and a related person acquire, a majority interest or a further interest in the scheme.
- (2) If paragraph (b) of section 73DD(1) applies in relation to the acquisition of a majority interest in a registered unit trust scheme, duty is chargeable under section 73D in respect of the dispositions of units in the scheme (the “**aggregated dispositions**”) that result in a person, or a person and a related

s. 73DC

person, acquiring the interests referred to in that paragraph as if the aggregated dispositions formed one disposition made at the time the majority interest was acquired.

- (3) If the aggregated dispositions include one or more dispositions (“**relevant aggregated dispositions**”) made when the unit trust scheme was not —

- (a) registered under section 63AA(2); or
- (b) granted interim registration under section 63AC(2),

duty chargeable under section 73D, as referred to in subsection (2), is to be reduced by the amount of duty that would be chargeable under that section in respect of the relevant aggregated dispositions if those dispositions together formed one disposition made immediately before the majority interest was acquired.

- (4) Duty is chargeable under section 73D in respect of a disposition of a unit in a registered unit trust scheme that results in a person, or a person and a related person, acquiring a further interest in the scheme as if —

- (a) that disposition; and
- (b) each of the dispositions that resulted in the person, or the person and the related person, acquiring an interest in the scheme held by the person, or by the person and the related person, immediately before the further interest was acquired,

together formed one disposition made at the time the further interest was acquired.

- (5) Duty chargeable under section 73D, as referred to in subsection (4), is to be reduced by the amount of duty that would be chargeable under that section in respect of the dispositions referred to in subsection (4)(b) if those dispositions together formed one disposition made immediately before the further interest was acquired.

- (6) Despite section 73D(7), the person liable to pay the duty chargeable under section 73D because of this section in respect of a disposition is the person who acquires the majority interest or further interest in the registered unit trust scheme.
- (7) If a majority interest or a further interest in a registered unit trust scheme is acquired by virtue of acquisitions of interests in the scheme by a person and a related person, those persons are jointly and severally liable to pay the duty referred to in subsection (6).
- (8) If interstate security duty has been paid in respect of a disposition in respect of which duty is chargeable under section 73D because of this section, the duty chargeable under that section is to be reduced by the same proportion of the interstate security duty as the value of the trust property situated in Western Australia bears to the aggregate value of all the trust property.
- (9) In subsection (8) —
“**interstate security duty**” means duty chargeable in another State or a Territory on a conveyance or transfer of any marketable security or right in respect of shares.

73DD. Meaning of majority interest and further interest

- (1) For the purposes of section 73DC, a person acquires a majority interest in a registered unit trust scheme if a disposition of a unit in the scheme results in the person, or the person and a related person, acquiring an interest in the scheme (the “**relevant interest**”) such that having acquired —
- (a) the relevant interest itself; or
 - (b) the relevant interest when taken with each interest in the scheme that —
 - (i) is held by the person or by a related person immediately before the relevant interest was acquired; and

s. 73DD

- (ii) was acquired within 3 years before the relevant interest was acquired (whether or not the scheme was a registered unit trust scheme at the time of the acquisition),

the person, or the person and the related person, would be beneficially entitled, if the property of the scheme were to be distributed, to participate in a distribution of the property of the scheme to an extent of 50% or more of the value of the distributable property.

- (2) The acquisition of the relevant interest or another interest referred to in paragraph (b) of subsection (1) is to be taken into account for the purposes of that subsection only if, at the time of the acquisition, the property of the registered unit trust scheme included land (as defined in section 76) situated in Western Australia.
- (3) If on the first day on which a unit trust scheme is registered under section 63AA(2) a majority interest is held in the scheme, an interest acquired in the scheme as a result of one or more dispositions made during a period that the scheme was granted interim registration under section 63AC(2) is taken to have been acquired as a result of a disposition made on that day.
- (4) For the purposes of section 73DC, a person acquires a further interest in a registered unit trust scheme if —
 - (a) the person holds, or the person and a related person hold, a majority interest in the scheme;
 - (b) the acquisition of that majority interest gave rise to a liability for duty under section 73D because of section 73DC; and
 - (c) a disposition of a unit in the scheme results in the person acquiring, or the person and a related person acquiring, an interest in the scheme such that having acquired that interest the person, or the person and the related person, would be beneficially entitled, if the property of the scheme were distributed, to participate further in a distribution of the property of the scheme.

- (5) For the purposes of this section, if —
- (a) the registration of a unit trust scheme is cancelled under section 63AD; and
 - (b) a disposition of a unit in the scheme (the “**relevant disposition**”) is made within 12 months after that registration is cancelled,
- the scheme is to be treated as if it is still a registered unit trust scheme when the relevant disposition is made.
- (6) Subsection (5) does not apply if the Commissioner is satisfied that the relevant disposition is not made with the collateral purpose of avoiding or reducing the duty that otherwise would be or might become payable if the registration of the unit trust scheme had not been cancelled.
- (7) For the purpose of being satisfied as to a matter referred to in subsection (6), the Commissioner may take into account any matter that the Commissioner considers to be relevant.
- (8) For the purposes of this section, a reference to the entitlement to participate in a distribution of the property of a unit trust scheme is a reference to that entitlement otherwise than as a creditor or other person to whom the scheme is liable, and a reference to distributable property is a reference to property distributable to persons otherwise than as creditors or other persons to whom the scheme is liable.
- (9) For the purposes of this section, the entitlement of a person on the distribution of the property of a unit trust scheme is to be determined as the greatest entitlement that the person could derive at any time from the scheme whether by the fulfilment of any condition, the outcome of any contingency or the exercise of any power or discretion or otherwise, and in particular a person that may benefit from a discretionary trust is to be deemed to be entitled to —
- (a) the property subject to the discretionary trust, unless the Commissioner determines otherwise; or

Penalty: \$20 000.

- (2) A dutiable statement must be prepared in an approved form.
- (3) If a majority interest or a further interest in a registered unit trust scheme is acquired by a person and one or more related persons, subsection (1) is taken to be complied with if one of those persons lodges a dutiable statement under that subsection on behalf of all those persons.
- (4) A dutiable statement lodged under subsection (1) is taken to be an instrument evidencing the disposition or dispositions in respect of which it is lodged and is chargeable with duty to the extent that duty chargeable on that disposition or those dispositions under section 73D because of section 73DC has not been paid.

75E. Application of this Part

- (1) Subject to subsections (2), (3), (4), (5) and (6), this Part applies in respect of an instrument of conveyance made by a person (“**the transferor**”), or made by a trustee on behalf of, and at the direction of, a person (“**the transferor**”) —
- (a) of farming property to a family member of the transferor;
 - (b) of an interest in a farming partnership to a family member of the transferor;
 - [(c) deleted]*
 - (d) of —

If the Commissioner is satisfied that this Part applies to an instrument of conveyance, the Commissioner may, on receiving an application under section 75H —

- (a) exempt the instrument from duty; or

- (1) Where the Commissioner is satisfied that an instrument of conveyance is an instrument to which this Part applies but —
 - (a) in relation to an instrument referred to in section 75E(1)(a), (d)(i) or (e)(i), the instrument does not relate only to farming property; or
 - (b) in relation to an instrument referred to in section 75E(1)(b), (d)(ii) or (e)(ii), the assets of the farming partnership do not only comprise farming property,

- (2) Despite section 17(1) of the *Taxation Administration Act 2003*, an application for a reassessment of the duty payable on an instrument to which this Part applies on the basis that an

s. 75HA

exemption under section 75F should have been, but was not, granted in relation to the instrument cannot be made more than 12 months after the day on which the instrument was stamped.

[Section 75H inserted by No. 2 of 2003 s. 72; amended by No. 66 of 2003 s. 45.]

75HA. Subsequent liability for duty in certain circumstances

(1) In this section —

“current exempted property” means, when a taxable event occurs in relation to a discretionary trust, that part of —

- (a) a farming property;
- (b) an interest in a farming partnership; or
- (c) a share in a farming company,

as the case requires, conveyed by an instrument of conveyance the subject of a farming exemption that is, at the date of the taxable event, vested in the discretionary trustee as trustee of the discretionary trust;

“entitled share”, in relation to a farming company, means a share that would entitle the holder of that share, if the property of the farming company were to be distributed after the share was acquired (on the basis of a winding up) to participate (otherwise than as a creditor or other person to whom the farming company is liable) in the distribution of the property of the farming company;

“farming exemption” means an exemption or partial exemption granted by the Commissioner under this Part;

“relevant proportion” means the proportion that the shares in a farming company that are current exempted property bear to the total number of entitled shares in the farming company;

“the transferor” has the meaning given in section 75E(1).

- (2) For the purposes of this section a taxable event occurs in relation to a discretionary trust when —
- (a) a person who is not a family member of the relevant transferor —
 - (i) becomes entitled to a share or interest in the trust property of the discretionary trust, whether that share or interest is vested or contingent; or
 - (ii) otherwise benefits from the discretionary trust;
 - or
 - (b) the relevant transferor gains control of the discretionary trust.
- (3) Where a farming exemption has been granted in relation to an instrument of conveyance to a discretionary trustee of a discretionary trust and during the life of the transferor a taxable event occurs, the discretionary trustee of the relevant discretionary trust shall, unless subsection (4) or (4a) applies, within a period of one month after the date of the taxable event, lodge a statement with the Commissioner in respect of the taxable event.
- Penalty: \$20 000.
- (3a) A dutiable statement is to be prepared in an approved form.
- (4) A discretionary trustee is not required to lodge a dutiable statement if —
- (a) a dutiable statement in respect of the farming exemption has previously been lodged with the Commissioner;
 - (b) there is no current exempted property.
- (4a) If the property conveyed by an instrument of conveyance was a share in a farming company, the discretionary trustee is not required to lodge a dutiable statement unless subsection (6) will apply if such a statement is lodged.
- (5) If a dutiable statement is lodged in respect of a farming exemption for an instrument of conveyance referred to in

s. 75I

section 75E(1)(e)(i) or (ii), the dutiable statement is taken to be an instrument operating as a voluntary disposition under section 75(1) of the current exempted property and is chargeable with duty accordingly.

(6) If —

- (a) a dutiable statement is required to be lodged under this section in respect of a farming exemption for an instrument of conveyance that conveyed a share in a farming company;
- (b) a section 76AG statement is required to be lodged in respect of the acquisition that is the subject of the instrument of conveyance; and
- (c) at the date of the taxable event the relevant farming company is still beneficially entitled to farming land to which it was beneficially entitled when the acquisition referred to in paragraph (b) occurred,

then the dutiable statement lodged under this section is taken to be an instrument operating as a voluntary disposition under section 75(1) of the relevant proportion of the farming land or of that part of the farming land and is chargeable with duty accordingly.

[(7) repealed]

- (8) The amount of duty payable in respect of a dutiable statement lodged in respect of a farming exemption for an instrument of conveyance that conveyed an interest in a farming partnership or a share in a farming company is reduced (up to the amount of duty payable in respect of the dutiable statement) by the amount of any duty previously paid on the instrument of conveyance.

[Section 75HA inserted by No. 20 of 1996 s. 34; amended by No. 60 of 2000 s. 20(3), (4) and (5); No. 2 of 2003 s. 73; No. 66 of 2003 s. 46 and 107(4).]

75I. Part IIIBA companies

(1) Where —

- (a) the Commissioner is satisfied that, if the amendments made to this Part by the *Business Tax Review (Assessment) Act (No. 2) 2003* had not been made, an instrument of conveyance of a share in a farming company would have been —
 - (i) an instrument referred to in section 75E(1)(c), (d)(iii) or (e)(iii); and
 - (ii) an instrument to which this Part applied;
- and
- (b) the transaction to which that instrument relates gives rise to a liability to lodge a section 76AG statement,

the Commissioner may —

- (c) if the land to which the section 76AG statement relates comprises only farming land in Western Australia — exempt the section 76AG statement from duty; or
- (d) if the land to which the section 76AG statement relates does not only comprise farming land in Western Australia — partially exempt the section 76AG statement from duty.

(2) The amount of a partial exemption is the amount equal to R in the formula —

$$R = \frac{A}{B} \times C$$

where —

- A is the value of the farming land in Western Australia;
- B is the value of all the land and chattels the subject of the section 76AG statement; and
- C is the amount of the duty —

s. 75I

- (a) that would be chargeable on the section 76AG statement; or
 - (b) where section 76AH(3) applies, that would ultimately be chargeable on the section 76AG statement,
- if this Part did not apply to it.
- (3) Despite section 17(1) of the *Taxation Administration Act 2003*, an application for a reassessment of the duty payable on a section 76AG statement on the basis that an exemption under section 75I should have been, but was not, granted in relation to the section 76AG statement cannot be made more than 12 months after the day on which the section 76AG statement was stamped.

- (1) This section applies if —
- (a) an instrument conveys, transfers or assigns a beneficial interest in property from one body corporate (“A”) to another body corporate (“B”);
 - (b) the instrument does not convey, transfer or assign any other interest or property which if separately conveyed, transferred or assigned would not be exempt from duty;
 - (c) A and B are associated bodies corporate;
 - (d) at the date of execution of the instrument, A and B have been associated bodies corporate for at least the qualifying period unless —
 - (i) A and B became associated in the circumstances of an acquisition described in subsection (1) of section 75JA (B being “the transferee” referred to in that subsection), a Part IIIBA statement in respect of that acquisition was exempted under section 75JA(2) and section 75JF has not become applicable to that statement;
 - (ii) A and B have been associated since A acquired at least 90% of the issued share capital —
 - (A) of B on its incorporation in Australia; or
 - (B) of B as a body corporate incorporated in Australia that had been dormant since it was incorporated,and B has been dormant from when A and B became associated until B resolved to acquire the beneficial interest;
 - (iii) A and B became associated because B acquired at least 90% of the issued share capital of A, a Part IIIBA statement was lodged in respect of that acquisition, and *ad valorem* duty was paid on that Part IIIBA statement;

or

- (iv) A and B are associated in the circumstances described in section 75J(2)(a)(ii), the third body corporate referred to in section 75J(2)(a)(ii) (“C”) has owned the issued share capital of B in those circumstances since B was incorporated in Australia, B has been dormant from when it was incorporated until it resolved to acquire the property from A, and A has been associated with C for at least the qualifying period;
 - (e) B does not hold the beneficial interest on trust for another person; and
 - (f) the instrument was not made pursuant to or in connection with an arrangement under which —
 - (i) the consideration, or any part of it, for the conveyance, transfer or assignment was to be provided or received, directly or indirectly, by a person other than A or B or a body corporate that at the time the instrument was executed was associated with either A or B; or
 - (ii) A or B or a body corporate associated with either of them is to be enabled to provide any of the consideration or is to dispose of any of the consideration by or in consequence (wholly or partially) of the carrying out of a transaction involving a payment or other disposition by a person other than A or B or a body corporate associated with either of them at the time the instrument was executed.
- (1a) If, in relation to an instrument executed on or after 18 May 2005 (other than one executed in reliance on a determination made under section 75JC(4) before that day), C’s ownership of the issued share capital of B referred to in subparagraph (iv) of subsection (1)(d) is indirect, this section does not apply by virtue of that subparagraph unless this section would have

s. 75JB

applied if the beneficial interest had been conveyed, transferred or assigned —

- (a) from A to C; and
- (b) from C to B.

(2) In subsection (1)(d) the qualifying period is the shorter of 3 years or —

- (a) if prior to A acquiring the beneficial interest, the interest was owned by bodies corporate associated with A — the period while the interest was continuously owned by A and those associated bodies corporate;
- (b) if the beneficial interest came into the ownership of A or of a body corporate associated with A by means of an instrument on which *ad valorem* duty or interstate duty has been paid — the period since that instrument was executed; or
- (c) in any other case — the period since A acquired the beneficial interest.

(2a) This section also applies if —

- (a) an instrument executed on or after the day on which section 50 of the *Business Tax Review (Assessment) Act (No. 2) 2003* comes into operation evidences an agreement to transfer or assign an interest in a vehicle and includes the following information —
 - (i) the make and model of the vehicle;
 - (ii) the licence plate number of the vehicle;
 - (iii) the market value of the vehicle;
 - (iv) the purchase price (if applicable) of the vehicle;and
- (b) subsection (1)(b) to (f) are met (with any necessary modifications).

(3) If on an application under section 75JD in respect of an instrument to which subsection (1)(a) refers it is shown to the

satisfaction of the Commissioner that this section applies,
then —

- (a) the Commissioner shall exempt an instrument executed on or after 1 October 1996 to which this section applies from duty under item 4, 13(3) or 19 of the Second Schedule; and
 - (b) if the conveyance, transfer or assignment effected by an instrument to which this section applies is a relevant acquisition under Part IIIBA that occurs on or after 1 October 1996 — the Commissioner shall exempt a Part IIIBA statement lodged in respect of the relevant acquisition from duty chargeable under section 76AH, 76AO, 76ATA or 76ATH.
- (3aa) In determining whether this section applies for the purposes of subsection (3)(b), the reference in subsection (1)(d) to the date of execution of the instrument is taken to be a reference to the date of the relevant acquisition.
- (3a) If, on an application under section 75JD in respect of an instrument to which subsection (2a) refers, it is shown to the satisfaction of the Commissioner that this section applies, then the Commissioner shall issue to the applicant an exemption certificate in the approved form.
- (4) If —
- (aa) an instrument is exempted under subsection (3); or
 - (ab) an exemption certificate is issued under subsection (3a) in relation to an instrument,

and within 5 years after the execution of the instrument or the date of the relevant acquisition —

- (a) A and B cease to be associated;
- (b) B, being a body corporate that became associated with A in the circumstances described in section 75JA(1)(a) to (e), issues or cancels any shares or varies the rights of any of its shares;

s. 75JB

- (ba) section 75J(4) having applied to the issued share capital of A or B, a change is made to the purpose for which that body corporate is carried on;
- (c) the beneficial interest in any share in B issued in the circumstances described in section 75JA(1)(c) is transferred from the person to whom the share was issued;
- (ca) on or after 18 May 2005 there is a transfer of A's beneficial interest in shares in B (the "**share transfer**") such that, if the conveyance, transfer or assignment referred to in subsection (1)(a) had occurred after the share transfer, this section would not have applied to the instrument effecting the conveyance, transfer or assignment; or
- (d) B's assets are distributed on a liquidation,

A and B, or A or B, or the person (as the case requires) shall notify the Commissioner in an approved form within one month after the relevant event.

- (5) If —
 - (aa) an instrument is exempted under subsection (3); or
 - (ab) an exemption certificate is issued under subsection (3a) in relation to an instrument,

and within 5 years after the execution of the instrument or the date of the relevant acquisition A and B cease to be associated then the claw-back applies.

- (5a) The claw-back under subsection (5) does not apply if A and B cease to be associated in circumstances where A has no assets or no assets other than cash or money in an account at call or on deposit with any person or a negotiable instrument.
- (5b) If A is liquidated a reference in subsection (5a) to its assets is a reference to them at the time of the appointment of the liquidator and at all subsequent times until they are distributed to the shareholders.

(5c) In subsections (5c) to (5j) —

“controlling body” means —

- (a) in a case to which subsection (5e)(a) applies, a body corporate which, at the time of the execution of the instrument or the date of the relevant acquisition, owned and controlled the parent body;
- (b) in a case to which subsection (5e)(b) applies, a body corporate which, at the time the association referred to in subsection (5e)(b) arose, owned and controlled the parent body;

“own and control” a body corporate means to beneficially own (directly or indirectly) at least 90% of the issued share capital of, and have control (within the meaning of section 75J(2)(b)) over, the body corporate;

“parent body” means the other body corporate referred to in subsection (5d) or, if there is more than one of them, whichever of them did not, at the relevant time or date mentioned in the definition of “controlling body”, own and control any of the others;

“qualifying period” has the same meaning as it has in subsection (1)(d).

(5d) An association is a **“prescribed relationship”** for the purposes of subsection (5e) if A and B are associated because another body corporate owns and controls each of them.

(5e) For the purposes of subsection (5f), the **“relevant circumstances”** have occurred if —

- (a) the association between A and B which satisfied the requirement of subsection (1)(c) was a prescribed relationship for the whole or a part of the qualifying period; or
- (b) the association between A and B which prevents the claw-back under subsection (5) from applying is a prescribed relationship.

s. 75JB

(5f) If —

- (aa) an instrument is exempted under subsection (3) or an exemption certificate is issued under subsection (3a) in relation to an instrument; and
- (ab) the relevant circumstances have occurred,

and within 5 years after the execution of the instrument or the date of the relevant acquisition the parent body —

- (a) ceases to beneficially own (directly or indirectly) at least 90% of the issued share capital of B; or
- (b) ceases to have voting control (within the meaning of section 75J(2)(b)) over B,

then —

- (c) the parent body and B shall notify the Commissioner in an approved form within one month after the relevant event; and
- (d) the claw-back applies.

(5g) Despite subsection (5f)(d), the Commissioner may, on an application under this subsection, waive the claw-back if —

- (a) a body corporate approved by the Commissioner (being a controlling body) continues to own and control B; and
- (b) the Commissioner is satisfied that waiving the claw-back would not be inconsistent with the objects of this section.

(5h) The application shall be in an approved form.

[(5i) repealed]

(5j) If the claw-back is waived under subsection (5g) —

- (a) subsection (5f) then applies as if references in it to the parent body were references to the body corporate approved under subsection (5g); and

(b) a reference in this Part to subsection (5f)(c) is to be read as a reference to that provision as applied by paragraph (a).

(6) If —

- (aa) an instrument is exempted under subsection (3); or
- (ab) an exemption certificate is issued under subsection (3a) in relation to an instrument,

and within 5 years after the execution of the instrument or the date of the relevant acquisition B's assets are distributed to its shareholders on a liquidation, then the claw-back applies.

(7) If —

- (aa) an instrument is exempted under subsection (3); or
- (ab) an exemption certificate is issued under subsection (3a) in relation to an instrument,

and A and B became associated in the circumstances described in section 75JA(1)(a) to (e) and within 5 years after the execution of the instrument or the date of the relevant acquisition A and B cease to be associated in circumstances where the claw-back does not apply under subsection (5) and —

- (a) B issues or cancels any shares or varies the rights of any of its shares;
- (b) the beneficial interest in any share in B issued in the circumstances described in section 75JA(1)(c) is transferred from the person to whom the share was issued; or
- (c) B's assets are distributed to its shareholders on a liquidation,

then the claw-back applies unless, in a case where paragraph (b) applies, the Commissioner is satisfied that the transfer is in connection with a scheme for the reconstruction of a body corporate or the amalgamation of bodies corporate.

s. 75JBA

- (8) If the claw-back applies under subsection (7), A shall not be liable to pay any duty or penalty tax under section 75JE or 75JF.
- (9) Subject to subsection (10), if —
- (aa) an instrument is exempted under subsection (3); or
 - (ab) an exemption certificate is issued under subsection (3a) in relation to an instrument,

and section 75J(4) applied to the issued share capital of A or B, the claw-back applies if the Commissioner is satisfied that within 5 years after the execution of the instrument or the date of the relevant acquisition that body corporate has been carried on for the purposes of profit or gain to its members.

- (10) The claw-back under subsection (9) does not apply if the constitution or governing rules of the body corporate have been changed so that its issued share capital carries the right to unlimited participation in the distribution of its income and capital.
- (11) If —
- (aa) an instrument is exempted under subsection (3); or
 - (ab) an exemption certificate is issued under subsection (3a) in relation to an instrument,

the claw-back applies if there is a transfer of the kind referred to in subsection (4)(ca) on or after 18 May 2005 and within 5 years after the execution of the instrument or the date of the relevant acquisition.

75JBA. Operation of claw-back: application for pre-determination in certain cases

- (1) Terms used in this section have the same meanings as they have in section 75JB.
- (2) If a cessation of ownership or voting control referred to in section 75JB(5f)(a) or (b) is proposed or contemplated in circumstances where a controlling body will continue to own and have voting control of B, a person acting on behalf of B, the parent body or the controlling body, may request the Commissioner to determine whether in those circumstances the Commissioner would, under section 75JB(5g), approve the controlling body and waive the claw-back.
- (3) The request shall be in an approved form.
- [(4) repealed]*
- (5) If the Commissioner is given sufficient information to do so the Commissioner shall make the requested determination.
- (6) If the Commissioner determines that the controlling body would be approved and the claw-back waived then, on an application under section 75JB(5g), the Commissioner shall approve the controlling body and waive the claw-back unless the Commissioner is of the opinion that in relation to the request for a determination there was not a full and true disclosure of relevant information and evidence.

- (2) The request shall be in an approved form.

- (4) If the Commissioner is given sufficient information to do so the Commissioner shall make the requested determination.
- (5) If the Commissioner determines that an exemption would be granted then, on an application under section 75JD for an exemption, the Commissioner shall grant the exemption unless —

 - (b) circumstances relating to the executed instrument, the section 31B or 31C statement or the Part IIIBA statement and relevant for the purposes of sections 75JA and 75JB differ materially from those that related to a draft provided or were described in information or evidence provided; or

- company to which the person, or the person and a related person, would be entitled, as provided in subsection (5), after the acquisition of the further interest;
- (b) for the purposes of section 76AH(1)(b)(ii), is the same proportion of the value of the land and chattels situated in Western Australia to which the WA company is entitled, as provided by subsection (4), at the time of the acquisition, as the proportion of the property of the WA company to which the person, or the person and a related person, would have been entitled, as provided in subsection (5), at the time of the immediately preceding relevant acquisition by that person, or a related person.
- (4) For the purposes of subsections (2), (2a) and (3), the unencumbered value of the land and chattels to which a WA company is entitled at any time is the sum of —

- (5) For the purposes of subsections (2), (2a) and (3), the property of a WA company to which a person, or the person and any related person, would be entitled is the property to which the person, or the person and any related person, would be entitled if the WA company were to be wound up after the acquisition.
