Guide for using this reprint

What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original rules and legislation that has amended its text are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. Transitional, savings, or other provisions identified in the Compilation table may be important. The table may refer to another endnote setting out the text of these provisions in full.
3. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the rules being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

Notes amongst text (italicised and within square brackets)

1. If the reprint includes a rule that was inserted, or has been amended, since the rules being reprinted were made, editorial notes at the foot of the rule give some history of how the rule came to be as it is. If the rule replaced an earlier rule, no history of the earlier rule is given (the full history of the rules is in the Compilation table).

Notes of this kind may also be at the foot of Schedules or headings.

2. The other kind of editorial note shows something has been —
 - removed (because it was repealed or deleted from the law); or
 - omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything removed or omitted can be found in an earlier reprint (if there is one) or one of the written laws identified in the Compilation table.

Reprint numbering and date

1. The reprint number (in the footer of each page of the document) shows how many times the rules have been reprinted. For example, numbering a reprint as “Reprint 3” would mean that the reprint was the 3rd reprint since the rules were published. Reprint numbering was implemented as from 1 January 2003.
2. The information in the reprint is current on the date shown as the date as at which the rules are reprinted. That date is not the date when the reprint was published by the State Law Publisher and it is probably not the date when the most recent amendment had effect.

- (4) Within the category of Away wins —
 - (a) matches are to be ranked in order according to the goal difference between teams (ie. the smaller the difference, the higher the ranking); and

13A. Ticket repeat

- (1) A person may select the numbers and game type required to enter Soccer Pools by presenting an existing receipted ticket and requesting the same type of game entry and combination of numbers.
- (2) If a receipted ticket linked to a player’s card number is used to generate a repeat selection under subrule (1), that ticket does not continue to be linked to the number unless the participant’s player’s card is presented as well.

- (3) This rule does not apply to a syndicate share receipted ticket, a syndicate master ticket or to any Super 66 game entered in conjunction with Soccer Pools.

[Rule 13A inserted in Gazette 6 Jun 2008 p. 2328.]

13B. Favourite numbers

- (1) A person who has a player's card may —

“postal entry” means a playslip or a promotional coupon completed and posted by a participant in accordance with rule 10(1)(a)(ii) and received by the Commission.
- (2) If payment with a postal entry is tendered by cheque, the Commission is under no duty to issue a receipted ticket until that cheque has been cleared.
- (3) Where the amount tendered with a postal entry is insufficient to enable the requested number of games or systems entries to be entered (but is sufficient to enter the minimum number of games), the Commission must enter the entry in the maximum number of games or systems entries that can be entered using the amount tendered, and refund any balance to the participant.

- (4) If one or more of the games on a postal entry contains too many selected numbers the Commission may ignore the highest selected number or numbers in that game when producing a receipted ticket from that playslip.
- (5) If one or more of the games on a postal entry contains too few selected numbers, the Commission may —
 - (a) ignore the games with too few numbers and produce a receipted ticket from the remaining games; or
 - (b) reject the entry,and refund the balance to the participant.
- (6) If a postal entry is bent or creased to the extent that a computer terminal will not accept or correctly read the playslip, the Commission may produce a receipted ticket that reflects the Commission's determination of the participant's intentions as shown by the entry.
- (7) If a request for entry is received by the Commission by mail, together with the correct payment, but a playslip is not enclosed, the Commission may produce a receipted ticket that reflects the request as if it were an oral request.

[Rule 15 amended in Gazette 6 Jun 2008 p. 2330.]

r. 16

16. Receipted tickets

- (1) Where a person gives to an agent a playslip completed in accordance with these rules and makes the appropriate payment, the agent must use that playslip to generate a receipted ticket or tickets and give it or them to the participant.
- (1A) Where a person redeems a promotional coupon in accordance with these rules and the terms on which the promotional coupon is issued, the agent must generate a receipted ticket or tickets accordingly and give it or them to the participant.
- (2) Where a person makes an oral request for entry in accordance with these rules and makes the appropriate payment, the agent must generate a receipted ticket or tickets (with randomly selected numbers generated by computer) in accordance with the participant's instructions and give it or them to the participant.
- [(3) repealed]*
- (4) Subject to rule 15, where a person posts a playslip, completed in accordance with these rules, to the Commission with the appropriate payment, the Commission must, when it receives that playslip, use that playslip to generate a receipted ticket or tickets and post it or them by ordinary mail to the participant at the return address accompanying the entry.

 - (d) within the selling period for that ticket.

- (1A) The Commission may allow a participant to surrender a receipted ticket (other than a shared syndicate receipted ticket) in circumstances outside those set out in subrule (1), but is under no obligation to do so.
- (2) If a participant surrenders a receipted ticket, the participant is entitled to a full refund from the agent or a further receipted ticket in exchange for the surrendered ticket.

[Rule 17 amended in Gazette 15 Nov 1996 p. 6525; 9 Mar 2001 p. 1345; 6 Jun 2008 p. 2331.]

18. Accuracy of receipted ticket

An agent who generates a receipted ticket by processing a playslip, a promotional coupon or a ticket repeat or as a result of an oral request is under no duty to ensure that the receipted ticket accurately reflects the playslip, coupon, ticket or request.

[Rule 18 amended in Gazette 6 Jun 2008 p. 2331.]

19. Validity of receipted ticket

- (1) Subject to subrules (2) and (3), a receipted ticket is generated by the Commission to indicate that the details of a valid entry, or of a number of systems entries, as appearing on the ticket, have been recorded in the central gaming system records in relation to the numbered Pools Game or Games shown on the ticket.
- (2) Subrule (1) does not apply to a receipted ticket that —

- (1) An “informal syndicate entry” in a Pools Game may be organised by a person (whether or not that person is an agent) by means of a collective contribution to the payment for an entry, but the receipted ticket will not acknowledge that more than one person has contributed to the payment.
- (2) This Part does not apply to an informal syndicate entry in a Pools Game.
- (3) This Part only applies to syndicate entries if the syndicate entries are offered in accordance with rules 19B to 19H by the Commission or an agent, as the case may be.

[Rule 19A inserted in Gazette 6 Jun 2008 p. 2333.]

[Rule 19C inserted in Gazette 6 Jun 2008 p. 2334.]

19D. Agent's component of a syndicate share

The agent's component payable on a share in a particular syndicate is calculated by dividing the total agent's component payable for that syndicate by the total number of shares available in that syndicate (then truncated to the nearest cent).

[Rule 19D inserted in Gazette 6 Jun 2008 p. 2334.]

19E. Syndicate participation parameters

- (1) A syndicate cannot be created for more than one Pools Game.

[Rule 19E inserted in Gazette 6 Jun 2008 p. 2334.]

- (2) The Commission may add all or part of the prize reserve fund to the division 1 prize pool in a Bonus Pools Game to increase the division 1 prize pool to the guaranteed amount and any amount so added forms part of that prize pool.
- (3) Where a Bonus Pools Game is declared under this rule, and a jackpot division 1 prize coincides with that Pools Game, the Commission may elect to reduce the augmentation under subrule (2) by the amount of the jackpot.
- (4) If —
 - (a) no one wins a division 1 prize in a Bonus Pools Game; and
 - (b) all or part of the prize reserve fund would have to have been used to increase the division 1 prize pool to a guaranteed amount had there been a division 1 winner,

the amount of the reserve that would have been so used is to be returned to the prize reserve fund and is not to be counted when calculating the jackpot prize pool for the next Pools Game.

Schedule 1 — Calculating the total cost of entry — Soccer Pools

[r. 10]

[Heading inserted in Gazette 6 Jun 2008 p. 2342.]

The unit cost of entering a Pools Game is made up of a subscription of 50 cents per game and an agent's component.

The agent's component is calculated as 9% of the total subscription amount for a particular week's entry, rounded* (where necessary) to the nearest 5 cent multiple.

$$((G \times \$0.50) \times .09 \rightarrow \text{rounded}) \times W = T$$

where —

G = No. of games entered in a draw

W = No. of weeks the entry spans

T = Total agent's component cost payable by the participant

Examples:

The total cost of entry for a Slikpik 25 entry for a single Pools Game is calculated as follows —

Subscription [25 games @ \$0.50 each]	=	\$12.50
9% of subscription [.09 x \$12.50]	=	\$1.125
Rounded using "bankers rounding"	=	\$1.10
Total cost of entry	=	\$13.60

The total cost of entry for a System 8 entry for a single Pools Game is calculated as follows —

Subscription [28 games @ \$0.50 each]	=	\$14.00
9% of subscription [.09 x \$14.00]	=	\$1.26
Rounded using “bankers rounding”	=	\$1.25
Total cost of entry	=	\$15.25

The total cost of entry for a 6 game board System 9 entry for a single Pools Game is calculated as follows —

Subscription [6 x 84 games @ \$0.50 each]	=	\$252.00
9% of subscription [.09 x \$252.00]	=	\$22.68
Rounded using “bankers rounding”	=	\$22.70
Total cost of entry	=	\$274.70

The total cost of entry for a Slikpik 25 entry spanning 10 weeks of Soccer Pools is calculated as follows —

Subscription for one week [25 games @ \$0.50 each]	=	\$12.50
9% of subscription [.09 x \$12.50]	=	\$1.125
Rounded using “bankers rounding”	=	\$1.10
Total cost of entry for one week	=	\$13.60
Total cost of entry for 10 weeks	=	\$136.00

* Rounding is calculated using the method known as “bankers rounding” or “round-to-even” rounding.
