Guide for using this reprint

What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original regulations and legislation that has amended its text are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. Transitional, savings, or other provisions identified in the Compilation table may be important. The table may refer to another endnote setting out the text of these provisions in full.
3. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the regulations being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

Notes amongst text (italicised and within square brackets)

1. If the reprint includes a regulation that was inserted, or has been amended, since the regulations being reprinted were made, editorial notes at the foot of the regulation give some history of how the regulation came to be as it is. If the regulation replaced an earlier regulation, no history of the earlier regulation is given (the full history of the regulations is in the Compilation table).

Notes of this kind may also be at the foot of Schedules or headings.

2. The other kind of editorial note shows something has been —
 - removed (because it was repealed or deleted from the law); or
 - omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything removed or omitted can be found in an earlier reprint (if there is one) or one of the written laws identified in the Compilation table.

Reprint numbering and date

1. The reprint number (in the footer of each page of the document) shows how many times the regulations have been reprinted. For example, numbering a reprint as “Reprint 3” would mean that the reprint was the 3rd reprint since the regulations were published. Reprint numbering was implemented as from 1 January 2003.
2. The information in the reprint is current on the date shown as the date as at which the regulations are reprinted. That date is not the date when the reprint was published by the State Law Publisher and it is probably not the date when the most recent amendment had effect.

3. Standard retail price to be as notified

 - (b) the standard retail price at which that kind of motor fuel is offered is that day's permitted standard retail price.

Penalty: in the case of an individual, \$20 000 and, in the case of a body corporate, \$100 000.

- (2) A person establishes the permitted standard retail price for the retail sale by that person of a particular kind of motor fuel on a particular day at a particular place by notifying the Commissioner, in accordance with regulation 3A, of the standard retail price at which the motor fuel is to be offered for sale on that day.

[Regulation 3 inserted in Gazette 23 Aug 2001 p. 4379; amended in Gazette 31 Dec 2001 p. 6764.]

3A. Requirements for giving notification

- (1) Notification under regulation 3(2) has to be given to the Commissioner —
 - (a) during a period fixed under subregulation (3) or, if no period is so fixed, during the period beginning at 8.30 a.m. and ending at 2.00 p.m. on the day before the day for which the price is notified; and

- (1) Regulation 3(1) does not apply to a place that —
 - (a) is outside the Perth metropolitan region, as defined in subregulation (2); and

(b) is not in a local government district or townsite listed in Schedule 1.

(2) In this regulation —

Perth metropolitan region means the region described in the *Planning and Development Act 2005* Schedule 3;

townsite means an area that, under the *Land Administration Act 1997*, has been or is to be treated as having been constituted a townsite.

[Regulation 4 amended in Gazette 23 Aug 2001 p. 4381;

5. Places where regulation 6 applies

Regulation 6 applies to a place that is in a local government district or townsite listed in Schedule 1.

[Regulation 5 inserted in Gazette 16 Nov 2001 p. 5981.]

6. Retailer to display standard retail prices

(1) A person who offers motor fuel for standard retail sale at a place where this regulation applies is required to have, at the place of sale, a price display as described in this regulation.

Penalty: in the case of an individual, \$20 000 and, in the case of a body corporate, \$100 000.

(2) The price display has at least to show —

(a) whenever not more than 3 kinds of motor fuel are currently offered for standard retail sale at the place, the standard retail price for each of those kinds of motor fuel;

(b) whenever more than 3 kinds of motor fuel (the *kinds offered*) are currently offered for standard retail sale at the place, the standard retail prices for 3 of the kinds offered including —

(i) if one of them is LPG, the standard retail price for LPG;

- (ii) if only one of them is regular unleaded petrol, the standard retail price for that kind of motor fuel; and
 - (iii) if 2 or more of them are regular unleaded petrol, the standard retail price for each of 2 of those kinds of motor fuel and for one of the other kinds offered that is not regular unleaded petrol.
- (3) The price display has to be in a suitable position, and if necessary sufficiently illuminated, to enable each price shown and the description of the kind of motor fuel to which the price applies to be clearly legible to passing motorists whenever the motor fuel is offered for standard retail sale.
- (4) The price display may consist of more than one sign or other thing.
- (5) Subregulation (1) does not apply to a place of sale while it is exempt under subregulation (6) from the requirements of this regulation.
- (6) The Commissioner may, by order published in the *Gazette* —
 - (a) if satisfied that there are exceptional circumstances because of which the requirements of this regulation should not apply, exempt a particular place of sale from the requirements of this regulation for a specified period or until the exemption is revoked;
 - (b) revoke an exemption under paragraph (a), whether it was given for a specified period or not.
- (7) In this regulation —
regular unleaded petrol means petrol sold as regular unleaded petrol (91 to 93 RON), however described;

standard retail sale means retail sale not subject to an existing agreement or arrangement between the customer and the retailer.

[Regulation 6 inserted in Gazette 11 Jul 2001 p. 3460-1; amended in Gazette 16 Nov 2001 p. 5981; 31 Dec 2001 p. 6764-5; 9 Dec 2005 p. 5875-6.]

Division 2 — Before retail sale

[Heading inserted in Gazette 11 Jul 2001 p. 3461.]

7. How to notify Commissioner of price changes

If section 22B(3) of the Act requires a supplier to notify the Commissioner of a price change, the way in which notification is to be given is by directly uploading information about the price change using the Commissioner's Fuel Watch website at the address www.fuelwatch.wa.gov.au on the internet.

[Regulation 7 inserted in Gazette 11 Jul 2001 p. 3461.]

8. Previous month's weighted average price

The weighted average price for a particular kind of motor fuel supplied from a declared terminal during the previous month, which section 22C of the Act requires to be displayed, is calculated (to the nearest 0.1 cent/litre) by using the formula:

$$A = \frac{\sum_{n=1}^{n=t} (P_n \times V_n)}{T_v}$$

where —

A is the weighted average price in cents/litre;

t is the total number of transactions used to calculate the weighted average price;

P_n is the price in cents/litre for the nth transaction used to calculate the weighted average price;

V_n is the volume in litres of the nth transaction used to calculate the weighted average price;

T_v is the total volume in litres of all the transactions used to calculate the weighted average price.

[Regulation 8 inserted in Gazette 11 Jul 2001 p. 3461.]

9. Details of price differences

- (1) If section 22E(2) of the Act requires that an invoice for a supply of motor fuel from a declared terminal show details as to the difference between the displayed price and the maximum price fixed by an order under section 12 of the Act for another declared terminal, the details to be shown are a description of each component of each of those prices that the supplier considers contributes to the difference, and the amount of each of those components.
- (2) A component needs to be described with sufficient particularity to clearly identify the expense or other item concerned.
- (3) The amounts attributed to the components identified need to be expressed in terms that enable their cumulative effect to be readily quantified.

[Regulation 9 inserted in Gazette 11 Jul 2001 p. 3461-2.]

10. Notifying Commissioner of price differences

- (1) Details that section 22E(4) of the Act requires a supplier to give to the Commissioner are to be given by directly uploading those details using the Commissioner's Fuel Watch website at the address www.fuelwatch.wa.gov.au on the internet.
- (2) Details relating to supplies made during a particular calendar month are to be given within a period of 14 days after the end of that month.
