WATER AGENCIES (POWERS) ACT 1984

**HARVEY, WAROONA AND COLLIE
RIVER IRRIGATION DISTRICTS
BY-LAWS 1975**

Citation

1. These by-laws may be cited as the *Harvey, Waroona and Collie River Irrigation Districts By-laws 1975*¹.

Application

2. These by-laws apply in the Harvey Irrigation District, the Waroona Irrigation District and the Collie River Irrigation District as constituted from time to time under the Act.

Interpretation

3. In these by-laws, unless the contrary intention appears —

“**annual district allocation**” means the quantity of water allocated by the former Authority or the Corporation by notice under by-law 4 for each hectare of rated land in the district in relation to which the notice applies;

b. 3A

*Harvey, Waroona and Collie River
Irrigation Districts By-laws 1975*

“authorized person” means an officer or other person appointed for the purposes of carrying out these by-laws;

“District officer” means the officer appointed as the District Officer or other officer carrying out the duties of district officer in relation to a district;

“Form” means a form in the Second Schedule;

“section” means a section of the Act;

“the Act” means the *Rights in Water and Irrigation Act 1914*²;

“watering programme” means the zone periods specified by the former Authority or the Corporation by notice under by-law 4 in relation to which the notice applies;

“zone period” means a period of time specified in the watering programme applicable to a district during which water will be supplied to an occupier under these by-laws.

[*By-law 3 amended in Gazette 19 July 1985 p.2502;
29 December 1995 p.6316.*]

Advisory Committee

3A. (1) The Corporation may from time to time appoint an Advisory Committee which shall have throughout the Irrigation Districts to which these by-laws apply the conjoint functions referred to in sub-by-law (5) of this by-law.

(2) The Advisory Committee shall consist of such number of persons, including representatives of owners and occupiers of land and officers of Government Departments, as the Corporation appoints, but —

(a) not more than three persons shall be appointed members of the committee as representatives of owners or occupiers of land at any one time; and

(b) the persons to be members of the committee as representatives of owners and occupiers of land shall be

*Harvey, Waroona and Collie River
Irrigation Districts By-laws 1975*

b. 4

such persons as the Corporation may nominate or may select from persons to be nominated by the local authorities in whose district the Irrigation Districts are situated.

(3) When nominations by the local authorities are desired, the Corporation may determine the number of nominations to be made by each such local authority and the manner in which the nominations shall be made.

(4) A person appointed to be a member of the committee shall hold office during the pleasure of the Corporation.

(5) The functions of the Advisory committee shall include assisting and advising the Corporation on the conditions governing the supply and control of water and on such other matters as are referred to it.

*[By-law 3A inserted in Gazette 20 April 1979 p.1057;
amended in Gazette 29 December 1995 p.6316.]*

Notice of area allocation, watering programme and zone periods

4. (1) The Corporation may by notice in relation to a district to which these by-laws apply —

- (a) determine the period during which water will be supplied to the district;
- (b) declare the quantity of water, to be known as the annual district allocation, that will be supplied for each hectare of rated land in the district; and
- (c) set out a watering programme specifying the periods of time, to be known as zone periods, during which water will be supplied and the days or the dates before or on which, as the case requires, applications shall be made for the supply of water in the district.

(2) A copy of the notice referred to in sub-by-law (1) of this by-law shall be posted on the official notice board of the Corporation in the district to which the notice relates not less the 7 days before the date of the first zone period specified in the watering programme set out in the notice and the notice shall be kept posted at that place for the duration of the period to which the watering programme applies.

b. 5

*Harvey, Waroona and Collie River
Irrigation Districts By-laws 1975*

(3) A notice given under sub-by-law (1) of this by-law may be amended or revoked by subsequent notice by the Corporation and any amendment to the notice shall be kept posted at the office of the Corporation in the district to which it relates for the duration of the period to which the amendment applies.

*[By-law 4 amended in Gazette 19 July 1985 p.2504;
29 December 1995 p.6317.]*

Application for water

5. (1) An occupier who desires to be supplied with water under these by-laws shall apply to the Corporation in the form of Form 1 giving the particulars required by that form.

(2) An application referred to in sub-by-law (1) of this by-law shall be lodged with the District Officer at the office of the Corporation in the district in which the land the subject of the application is situate —

- (a) where the land is to be supplied with water in accordance with the watering programme for that district, not less than 3 days before the commencement of the zone period to which the application relates;
- (b) in any other case, not less than 3 days before the occupier requires the water applied for.

[(3) repealed]

(4) An occupier who desires to amend an application made pursuant to this by-law shall give the District Officer of the district not less than 6 hours' notice of his intention to amend his application.

(5) Where an occupier has applied to be supplied with water and does not take the water when offered, he may be required to lodge a fresh application for water.

[By-law 5 amended in Gazette 19 July 1985 p.2504; 27 June 1986 p.2139; 29 December 1995 p.6317.]

Irrigation Districts By-laws 1975*

b. 6

Supply of water

6. (1) Subject to these by-laws, where an occupier who desires to be supplied with water under these by-laws has made an application therefor in accordance with these by-laws the Corporation may supply water to the land of the occupier in accordance with the application.

(2) Supplies of water under these by-laws shall be made only to those supply points of an occupier's land as are approved by the Corporation and water so supplied shall be taken at those supply points at the times and in the manner approved by the Corporation.

(3) Except when he does so at the direction of an authorized person, a person other than an authorized person shall not operate a supply point.

(4) The Corporation may refuse to supply water to any head ditch or other distribution channel constructed or located within —

(a) 40 metres of a river; or

(b) 5 metres of any other works.

*[By-law 6 amended in Gazette 19 July 1985 p.2504;
29 December 1995 p.6317.]*

Supply of water outside period

6A. Notwithstanding the determination of a period under by-law 4 (1) (a) in respect of a district, the Corporation may at the request of an occupier of land within the district, supply water to that land outside the period so determined subject to the payment by the occupier of the appropriate charges set out in Schedule 4 to the *Water Agencies (Charges) By-laws 1987* and such other terms and conditions as the Corporation thinks fit.

*[By-law 6A inserted in Gazette 29 June 1989 p.1890;
amended in Gazette 29 December 1995 pp.6316 and 6317.]*

b. 6B

*Harvey, Waroona and Collie River
Irrigation Districts By-laws 1975*

Corporation may approve arrangement for relinquishment of quantity entitlement

6B. (1) The Corporation may approve an arrangement under which an occupier agrees with another occupier (“**the second occupier**”) to relinquish an entitlement to the supply of a quantity of water under the annual district allocation so that the second occupier may be supplied with that quantity of water in addition to the quantity of water to which the second occupier is otherwise entitled.

(2) An application for approval under sub-by-law (1) shall be —

(a) in a form approved by the Corporation; and

(b) accompanied by an application fee of \$50.00.

(3) The charge for water supplied as a consequence of an arrangement approved under sub-by-law (1) is the charge set out in item 1 (a) or (b), as appropriate, of Part 3 of Schedule 4 to the *Water Agencies (Charges) By-laws 1987*.

[By-law 6B inserted in Gazette 21 May 1996 p.2140.]

Occupier to have efficient distribution system

7. (1) An occupier shall construct and maintain on his land an efficient distribution system for the distribution of water on his land.

(2) Where the Corporation is of the opinion that the distribution system on any land is not efficient the Corporation may refuse to supply water to that land.

*[By-law 7 amended in Gazette 19 July 1985 p.2503;
29 December 1995 p.6317.]*

[8. Repealed in Gazette 27 June 1986 p.2139.]

[9. Repealed in Gazette 14 July 1987 p.2658.]

Waste of water

10. An occupier shall take all necessary steps for preventing waste of water supplied under these by-laws.

Pipe and pump supplies

11. (1) Where it is possible to supply land whether or not the land is in a district with water by means of works without any other service being rendered by it, the Corporation may supply water through any works for the purpose of enabling an occupier of land to take water from the works by pumping or other means.

(2) An occupier who desires to take water supplied through a work under sub-bylaw (1) of this by-law shall apply to the Corporation in the form of Form 2 giving the particulars required by the form.

(3) Where the Corporation approves of an application made under sub-bylaw (2) of this by-law the occupier shall not take any water from the works other than at the times appointed and in the manner approved by the Corporation.

(4) An occupier who applies to take water under this by-law is liable to pay the costs of any works constructed by the Corporation for the purpose of supplying water to his land and a capitalised maintenance charge determined by the Corporation.

(5) An occupier who desires to be supplied with water pursuant to this by-law shall at the commencement of each rating year apply to the Corporation in the form of Form 1.

(6) An application made under sub-bylaw (5) of this by-law shall be lodged with the District Officer at the office of the Corporation in the district from which the water is supplied.

[By-law 11 amended in Gazette 19 July 1985 pp.2503 and 2504; 14 July 1987 p.2656; 29 December 1995 p.6317.]

11A. (1) An occupier who desires to be supplied with water other than irrigation water from works by means of a pipe, for purposes

[11B. Repealed in Gazette 14 July 1987 p.2658.]

Water used for domestic purposes and for stock

12. (1) An occupier who is supplied with water under these by-laws for domestic purposes or for stock or both shall provide a suitable dam, tank or receptacle for those purposes.

(2) A dam, tank or receptacle so provided shall be of such capacity as will enable the occupier to store enough water to meet his requirements for those purposes between zone periods.

(3) Where the Corporation is satisfied that a dam, tank or receptacle that is used for storing water for the purposes referred to in sub-by-law (1) of this by-law does not conform to the requirements of sub-by-law (2) of this by-law it may refuse to supply water to the land of that occupier for those purposes.

APPLICATION FOR A SUPPLY OF WATER

.....

Date 19

To —

THE WATER CORPORATION

1. I request you to supply water to me, as the occupier of the property indicated hereunder.
.....

2. Where it is necessary for the Corporation to instal a pipe or provide other works to facilitate the supply of water, I will pay, on demand, the capital cost of such works plus a lump sum to be determined by the Corporation sufficient to meet maintenance charges on such works.

[3. *repealed*]

4. I agree to notify the Corporation when the supply or service is no longer required. I further agree that notwithstanding that the service or supply may at my request be discontinued during the relevant year, that the charges for such service shall be payable for the full year.

5. It is agreed by the Corporation that if the service or supply is first given after the commencement of a year, that the initial charge shall be apportioned according to the unexpired portion of such year.

6. It is understood that this application and the agreement made by your approval thereof (of which the supply of water pursuant to this application shall be sufficient evidence) will be subject in all respects to the provisions of the *Rights in Water and Irrigation Act 1914²* and to the by-laws thereunder in force for the time being during the continuance of the agreement, and that, notwithstanding any such agreement, it will not be compulsory upon you to continue to supply water to me, and that the agreement may be determined by you at such time as you may think fit.
