7. Standards for disability access and inclusion plans (s. 28)

For the purposes of section 28(5) of the Act, the standards that a disability access and inclusion plan must meet are those specified in Schedule 2.

8. Information in reports about disability access and inclusion plans (s. 29)

For the purposes of section 29(4) of the Act, a report about a disability access and inclusion plan must include information relating to —

- (a) progress made by the relevant public authority and any agents and contractors of the relevant public authority in achieving the desired outcomes specified in Schedule 3; and
- (b) the strategies implemented by the relevant public authority to inform its agents and contractors of its disability access and inclusion plan.

9. Publication of disability access and inclusion plans (s. 29A)

For the purposes of section 29A, a public authority must publish its disability access and inclusion plan in a document that is made available —

- (a) on request, at the offices of the authority
 - (i) in an electronic format;
 - (ii) in hard copy format in both standard and large print; and
 - (iii) in an audio format on cassette or compact disc;
- (b) on request, by email; and
- (c) on any website maintained by or on behalf of the authority,

and notice of which is given in a newspaper circulating throughout the State or, in the case of a local government, the
