HE301

Health Act 1911

**Blood and Tissue (Transmissible Diseases)  
Amendment Regulations (No. 2) 2016**

Made by the Governor in Executive Council.

**1. Citation**

These regulations are the *Blood and Tissue (Transmissible Diseases) Amendment Regulations (No. 2) 2016*.

**2. Commencement**

These regulations come into operation as follows —

- (a) regulations 1 and 2 — on the day on which these regulations are published in the *Gazette*;
- (b) the rest of the regulations — on 11 September 2016.

**3. Regulations amended**

These regulations amend the *Blood and Tissue (Transmissible Diseases) Regulations 1985*.

**4. Schedule 1 amended**

In Schedule 1:

- (a) delete “those people who receive it.” and insert:

those who receive it.

- (b) delete “or blood products”;

- (c) delete the passage that begins with “Donations of blood are tested” and ends with “you will be informed.” and insert:

Donations of blood are tested for hepatitis B, hepatitis C and HIV (AIDS virus). Donations are also tested for HTLV (human T-lymphotropic virus) and syphilis, unless the donation is allocated solely to making externally manufactured plasma products. If your blood tests positive for any of these conditions, or shows a significantly abnormal result, we will notify you.

- (d) delete “**In the last 6 months have you:**” and insert:

**In the last 4 months have you:**

N. HAGLEY, Clerk of the Executive Council.
