Part 2 — Requirements for entry

4. Entry coupon

The Commission is to ensure that an entry coupon for Cash 3 displays —

- (a) such details to facilitate entry; and
- (b) such instructions to subscribers,

as the Commission considers necessary.

5. Methods of entry

(1) A person may enter Cash 3 by —

- (a) filling out an entry coupon in accordance with rule 8, and —
 - (i) giving it to an agent; or
 - (ii) posting it to the Commission;

or

- (b) making an oral request for entry in accordance with rule 9,

and paying the appropriate wager amounts shown in Schedule 1.

(2) An entry coupon or oral request for entry is invalid, and is to be rejected by an agent, if it has not been completed or made in accordance with these rules.

(3) Any money tendered with an entry coupon or oral request that is rejected is to be refunded to the person tendering the money.

6. Commission may limit number of entries

The Commission may, at any time and for any reason, suspend the play on any number or limit the placing of wagers on any number or combination.

7. No Super 66 with Cash 3

Super 66 is not available with a Cash 3 entry.

8. Completion of entry coupon

(1) To enter Cash 3 using an entry coupon, a subscriber must select a 3-digit number (one digit per column) in at least one of the game boards on the entry coupon.

(2) For each game board filled out on the entry coupon, the subscriber must —

- (a) indicate whether the wager is a 50 cent wager or a \$1.00 wager; and
- (b) indicate the type of play (e.g. Exact order, Any order, etc.),

but if —

- (c) the selection is for an 'Exact/Any' play type, then, by default, the subscriber is taken to have selected a \$1.00 wager, if there is no mark indicating the amount of the wager; and
 - (d) the selection is for any other type of play, then a coupon without a wager amount specified will not be accepted.
- (3) A subscriber who has selected a number in which the 3 digits are all the same can only select an 'Exact Order' play type.
 - (4) A subscriber who has an entry coupon that has at least one game board with a valid selection may specify an advance play option in respect of that entry.
 - (5) A subscriber is limited to a maximum of 6 game selections per entry coupon.
 - (6) An erroneously completed game board may be selectively marked 'void' so as to exclude that game board from the entry coupon without affecting other entries on that coupon.
 - (7) An entry coupon is only valid if —
 - (a) it is marked by hand in pencil or blue ball point pen, in accordance with the instructions on that coupon; and
 - (b) it is not generated by mechanical or electronic means.

9. Oral request for entry

- (1) To enter Cash 3 without an entry coupon, a subscriber must make an oral request to an agent stating —
 - (a) that the entry is for Cash 3;
 - (b) the amount to be wagered;
 - (c) the type of play; and
 - (d) the number of draws.
- (2) A subscriber may request —
 - (a) 2 (minimum), 5, 12, 14, or 18 games per draw; and
 - (b) an advance play option.
- (3) The computer will categorize —
 - (a) an 'Any order' play type to be a 3-way or 6-way play type; or
 - (b) an 'Exact/Any' play type to be a 3-way or 6-way play type,depending on the digits in the number that has been randomly selected.
- (4) The computer will only select a randomly selected number that consists of 3 digits that are all the same if the subscriber has requested an 'Exact order' play type.

- (5) An oral request for entry cannot be for a combination of the Consecutive days and Pick a Day/s options.

10. Receipted tickets

- (1) Subject to rule 6, where a subscriber gives to an agent an entry coupon completed in accordance with these rules and makes the appropriate payment, the agent must use that entry coupon to generate a receipted ticket or tickets and give it or them to the subscriber.
- (2) Subject to rule 6, where a subscriber makes an oral request for entry in accordance with these rules and makes the appropriate payment, the agent must generate a receipted ticket or tickets (with randomly selected numbers generated by computer) in accordance with the subscriber's instructions and give it or them to the subscriber.

11. Surrender of receipted tickets

- (1) A subscriber may surrender a receipted ticket for any reason —
 - (a) to the selling point at which it was purchased;
 - (b) on the day on which it was purchased;
 - (c) prior to the close of the day's Cash 3 business for that selling point; and
 - (d) within the selling period for that ticket.
- (2) If a subscriber surrenders a receipted ticket, the subscriber is entitled to a full refund from the agent or a further receipted ticket in exchange for the surrendered ticket.

12. Accuracy of receipted ticket

An agent who generates a receipted ticket by processing an entry form or as a result of an oral request for entry is under no duty to ensure that receipted ticket accurately reflects the entry coupon or request.

13. Validity of receipted ticket

- (1) Subject to subrule (2), a receipted ticket is an acknowledgement by the Commission that it has accepted an entry, or a number of entries, as appearing on the ticket, in the numbered Cash 3 games shown on the ticket.
- (2) Subrule (1) does not apply to a receipted ticket that —
 - (a) has been surrendered in accordance with rule 11;
 - (b) has been found, prior to the first draw on the ticket, to be invalid due to the operation of rule 5(2); or
 - (c) is forged or altered, or obtained as a direct result of fraud, by the subscriber or person claiming the prize.

Part 3 — General duties of Commission

14. Cash 3 draws to be numbered

Each Cash 3 draw conducted by the Commission is to be identified with a 'draw number'.

15. Frequency of Cash 3 draws

- (1) Subject to subrule (2), a 3-digit Cash 3 number is to be drawn each day of the year.
- (2) If the Commission decides that a number will not be drawn on a specific day, the Commission must publish a notice in the Tuesday edition of a newspaper distributed in this State at least 2 weeks before any day is excluded from the sequence of Cash 3 draws.

16. Cash 3 to be supervised

Each draw of Cash 3 is to be supervised in the manner determined by the Commission.

18. Prize pool and bonus prize fund

- (1) Subject to subrule (2), the Commission is to allocate 1% of the gross sales generated by Cash 3 to a bonus prize fund, to be used for Cash 3 bonus prizes in a manner determined by the Commission from time to time.
- (2) The Commission may, at its discretion, reallocate money from the bonus prize fund, so that it may be distributed in accordance with section 24 of the Act.

Part 4 — Cash 3 draw

19. Cash 3 draw

Each Cash 3 draw is to consist of the mechanical, equally random selection of 3 digits, each selected from the digits 0 to 9 inclusive, in a manner, and using such equipment, as the Commission determines.

20. Types of play

- (1) A subscriber has the choice of the options set out in Schedule 1 as types of play.
- (2) Only one play type can be nominated for each 3-digit number selected, and the choice of method may be limited, depending upon whether the digits in the selected number are all different, or if some or all of the digits are the same.

21. Criteria for Cash 3 prizes — 3 different digits

A subscriber's receipted ticket showing a number, for the appropriate draw, with 3 different digits wins a prize (of an amount set out in Schedule 1) in the following situations —

- (a) if the entry is an **“Exact order”** play type, the subscriber wins a prize if the 3 digits selected in the draw by the Commission are the same as, and in the same order as, the subscriber's digits;
- (b) if the entry is an **“Any order – 6 way”** play type, the subscriber wins a prize if the 3 digits selected in the draw by the Commission are the same as the subscriber's digits, regardless of order;
- (c) if the entry is an **“Exact/Any – 6 way”** play type —
 - (i) the subscriber wins 2 prizes if the 3 digits selected in the draw by the Commission are the same as, and in the same order as, the subscriber's digits — the first prize for selecting the digits in the “Exact order”, the second prize for selecting the digits in “Any order”; or
 - (ii) the subscriber wins a prize if the 3 digits selected in the draw by the Commission are the same as, but not in the same order as, the subscriber's digits — the prize being for selecting the digits in “Any order”.

22. Criteria for Cash 3 prizes – 2 like digits

A subscriber's receipted ticket showing a number, for the appropriate draw, with 2 like digits and a third different digit wins a prize (of an amount set out in Schedule 1) in the following situations —

- (a) if the entry is an **“Exact order”** play type, the subscriber wins a prize if the 3 digits selected in the

draw by the Commission are the same as, and in the same order as, the subscriber's digits;

- (b) if the entry is an “**Any order – 3 way**” play type, the subscriber wins a prize if the 3 digits selected in the draw by the Commission are the same as the subscriber's digits;
- (c) if the entry is an “**Exact/Any – 3 way**” play type —
 - (i) the subscriber wins 2 prizes if the 3 digits selected in the draw by the Commission are the same as, and in the same order as, the subscriber's digits — the first prize for selecting the digits in the “Exact order”, the second prize for selecting the digits in “Any order”; or
 - (ii) the subscriber wins a prize if the 3 digits selected in the draw by the Commission are the same as, but not in the same order as, the subscriber's digits — the prize being for selecting the digits in “Any order”.

23. Criteria for Cash 3 prizes – 3 like digits

A subscriber's receipted ticket showing a number, for the appropriate draw, with 3 like digits wins a prize (of an amount set out in Schedule 1) if the 3 digits selected in the draw by the Commission are the same as the subscriber's digits — the prize being for selecting the digits in the “Exact order”.

24. Payment of prizes

- (1) The holder of a winning ticket may collect the prize for that receipted ticket —
 - (a) where the prize is less than or equal to \$500 — from any agent; or
 - (b) where the prize is more than \$500 — at an authorized payout centre.
- (2) Before paying any prize the Commission may require the holder of a receipted ticket to complete a statutory declaration stating that the person has not, or is not to that person's knowledge part of a syndicate which has, acted in a manner contrary to the Act or these rules in relation to a receipted ticket.
- (3) If the holder of a receipted ticket refuses or fails to provide a statutory declaration when required to do so, the Commission may refuse to pay a prize to that person.

25. Publication of names and addresses of prize winners

The Commission may publish the name and address of any prize recipient unless the back of the winning receipted ticket is marked to indicate that the person's name and address is not for publication.

26. Player Registration Service

- (1) A 'Player Registration Service' (PRS) number —
 - (a) is a number which may be used to identify a receipted ticket as being held by the subscriber to whom that number has been issued; and
 - (b) is valid for 2 years from the date of issue.
- (2) An agent must issue a PRS number to a subscriber on receipt of —
 - (a) a request from the subscriber including the subscriber's name and address; and
 - (b) payment of \$5.00.
- (3) Notwithstanding these rules, where a winning receipted ticket is endorsed with a PRS number the Commission must —
 - (a) if the ticket is presented within 5 weeks after the draw, pay the prize in the manner set out in these rules; or
 - (b) if the prize is not claimed and paid under paragraph (a) —
 - (i) forward the prize to the subscriber's address in the form of a cheque; or
 - (ii) pay the prize to the subscriber in any other manner determined by the Commission.
- (4) If the Commission pays a prize in respect of a receipted ticket bearing a PRS number to the subscriber whose name corresponds to that PRS number, the Commission is discharged from any further obligation in relation to that prize, despite any conflicting information that the Commission may have or receive in relation to the entitlement of that person to the prize.

Part 5 — Miscellaneous

27. Instructions

- (1) The subscriber, the holder of a receipted ticket and any other person claiming a prize should follow the instructions on the entry coupon used, and on the back of the receipted ticket.
- (2) If there is an inconsistency between the instructions on an entry coupon or receipted ticket and these rules, these rules prevail to the extent of the inconsistency.

28. Rules to be made available

- (1) A copy of these rules must be kept at every selling point and must be available for public inspection on request.
- (2) The Commission may also publicize these rules, and any amendment to them, in any other manner it thinks fit.

29. Decisions of Commission final

A decision or determination of the Commission in relation to a Cash 3 draw, or an entry in Cash 3, and the payment of prizes under these rules, is final and binding on subscribers, the holders of receipted tickets and any other person claiming a prize in a Cash 3 draw.
