Delete Schedules 1, 1A and 2 and insert:

Schedule 1 — Dues and charges generally

[r. 6, 10A, 11, 25, 42A, 53A, 94A, 94B, 94C, 96 and 105I]

Division 1 — Standard rates**1. Standard rates for this Schedule**

In this Schedule, the following rates are standard rates —

Rate 1: a casual daily rate of \$7.55 per metre of the vessel's length

Typically used to calculate the standard daily rate for casual use of a pen or alongside berth (whether or not the alongside berth is on a service wharf or jetty) for a commercial vessel.

Rate 2: a casual daily rate of \$53.15

Typically used to calculate the standard daily rate for casual use of a pen or alongside berth (whether or not the alongside berth is on a service wharf or jetty) for a recreational vessel.

Rate 3: an annual rate of \$85.25 per metre of the vessel's length

Typically used to calculate the standard annual rate for short term use of a service wharf or jetty for a vessel (other than service vessels at certain places).

2. Transferability of annual payments

- (1) A vessel for which there has been paid an annual amount to the Department for short term use of a service wharf or jetty at one of the specified places in a Schedule may use the service wharf or jetty for up to an hour in a day at any of the other specified places.
- (2) A vessel for which there has been paid an amount to the Department for annual use of a pen, alongside berth or

Jetties Amendment Regulations (No. 2) 2018**r. 10**

mooring at a specified place in a Schedule may use the service wharf or jetty for up to an hour in a day at any of the other specified places.

3. Service wharf or jetty entitlements

A vessel for which there has been paid an amount to the Department for use of a pen, alongside berth or mooring at a specified place in a Schedule may have access to the service wharf or jetty for up to an hour in a day for the duration of that stay at that specified place.

4. Active loading and unloading

A fishing vessel for which there has been paid an amount in accordance with clause 2 or 3 may remain at a service wharf or jetty for longer than the one hour allowed under those clauses, if—

- (a) the extra time is required to complete active loading and unloading operations; and
- (b) the active loading and unloading operations are continuously in progress; and
- (c) the vessel vacates the berth during that extra time to facilitate other requirements or avoid adverse effects on other harbour operations, when directed to do so by an officer.

5. Wyndham excluded

Clauses 1, 2, 3 and 4 do not apply to a vessel in the Port of Wyndham.

Division 2 — Specified places**6. Albany, Albany Waterfront Marina**

- (1) This clause applies to the Albany Waterfront Marina at Albany.
- (2) The dues and charges to be paid under these regulations are set out in Table 6.1.

Schedule 3 — Port of Perth charges

[r. 72(3)]

Division 1 — Application and standard rates**1. Application of this Schedule**

The charges in this Schedule apply to the specified jetties and harbours in addition to the charges that apply State-wide under Schedule 1 Division 3.

2. Standard rates for this Schedule

In this Schedule, the following rates are standard rates —

Rate 1: a casual daily rate of \$7.55 per metre of the vessel's length

Typically used to calculate the standard daily rate for casual use of a pen or alongside berth (whether or not the alongside berth is on a service wharf or jetty) for a commercial vessel.

Rate 2: a casual daily rate of \$53.15

Typically used to calculate the standard daily rate for casual use of a pen or alongside berth (whether or not the alongside berth is on a service wharf or jetty) for a recreational vessel.

Rate 3: an annual rate of \$85.25 per metre of the vessel's length

Typically used to calculate the standard annual rate for short term use of a service wharf or jetty for a vessel.

3. Transferability of annual payments

- (1) A vessel for which there has been paid an annual amount to the Department for short term use of a service wharf or jetty at one of the specified places in a Schedule, may use the service wharf or jetty for up to an hour in a day at any of the other specified places.

Jetties Amendment Regulations (No. 2) 2018

r. 10

- (2) A vessel for which there has been paid an amount to the Department for annual use of a pen, alongside berth or mooring at a specified place in a Schedule, may use the service wharf or jetty for up to an hour in a day at any of the other specified places.

4. Service wharf or jetty entitlements

A vessel for which there has been paid an amount to the Department for use of a pen, alongside berth or mooring at a specified place in a Schedule may have access to the service wharf or jetty for up to an hour in a day for the duration of that stay at that specified place.

5. Active loading and unloading

A fishing vessel for which there has been paid an amount in accordance with clause 3 or 4 may remain at a service wharf or jetty for longer than the one hour allowed under those clauses, if —

- (a) the extra time is required to complete active loading and unloading operations; and
- (b) the active loading and unloading operations are continuously in progress; and
- (c) the vessel vacates the berth during that extra time to facilitate other requirements or avoid adverse effects on other harbour operations, when directed to do so by an officer.

6. Wyndham excluded

Clauses 2, 3, 4 and 5 do not apply to a vessel in the Port of Wyndham.
