- (2) After the expiry of the period of three calendar months the Registrar shall refuse to register the Transfer if he has had notice of the death, bankruptcy or insolvency of the transferor.

#### 32. Transfer after notice of intention to redeem

- (1) Where debentures or stock have been issued for a period which may be determined, whether at any time or at one of several dates, by the Commission by notice, such a notice may (in default of other provisions in the relevant prospectus) be given by advertisement appearing at least six months before the intended date of determination in a daily newspaper published in each of the capital cities of the Commonwealth.
- (2) No transfer of the debentures or stock after the publication of such an advertisement shall affect the right of the Commission to redeem the debentures or stock at the date so notified.

# 33. Books to be closed, and ledgers balanced

- (1) A transaction relating to stock shall not, without the consent of the Registrar, be registered or dealt with within 14 days prior to the date upon which interest is due or within one month prior to the date of maturity of the stock, and the Stock Ledger shall be deemed to be closed during that period.
- (2) During the period for which the Stock Ledger is deemed to be closed the Commission shall cause the amount of the stock respectively standing to the credit of the several registered owners thereof to be ascertained and the balances to be struck and carried forward in the appropriate registers, and the persons who on the day the registers are so closed are inscribed as

#### s. 34

holders of stock shall be entitled to receive the interest next payable thereon.

#### 34. Commission may sell or purchase stock

The Commission may purchase stock that has been issued and may re-sell that stock.

#### **Brokerage** 35.

The Commission may pay moneys by way of brokerage for the making, procuring, negotiating, or obtaining the loan of any money borrowed by the Commission pursuant to these regulations, or in respect of any dealings relating thereto.

#### 36. **Interest**

- Except as is otherwise provided in this regulation, interest shall (1) be paid in the manner set out in the prospectus inviting applications to purchase stock or by a cheque payable to the order of the stockholder and crossed ``Not negotiable" sent by ordinary prepaid letter through the post, addressed to the stockholder, or the owner whose name in a joint account is first inscribed in the Stock Ledger, at his address last notified to the Registrar before the closing of the Stock Ledger.
- At the risk of the stockholder payment of interest may be made (2) into an account at a bank within the Commonwealth, whether that account is in the name of the stockholder or of some other person or body, under the following conditions
  - a stockholder who desires interest on stock owned by him to be paid to the credit of a bank account shall make application in a manner approved by the Registrar; and
  - applications for payment into a bank account shall be (b) lodged at the Registry at least 14 days before the interest is due and the instructions therein shall remain in force although the stock may have been added to or partly transferred.

- (3) Interest may be paid in a manner approved by the Registrar not otherwise provided for in these regulations, or to some person therein nominated by the stockholder on an application being made by the stockholder in a manner approved by the Registrar.
- (4) Interest on stock inscribed in the name of a person of unsound mind, jointly with others not under legal disability, may be paid as directed by the stockholders other than those under a disability, and without the concurrence of the person of unsound mind, upon sufficient proof of legal disability being lodged with the Registrar.
- (5) Any one of the persons in whose name stock is inscribed may give a valid receipt for interest.
- (6) Where, under the conditions of the issue of any loan the Commission has provided that the first payment of interest on any stock shall be made to the person to whom the stock was originally allotted, then the original allottee shall for the purpose of the first payment of interest be deemed to be the stockholder or owner under this regulation.

- (3) Subject to any requirement of the Registrar made pursuant to subregulation (3) of regulation 19, any one of the persons in whose names stock is inscribed may give a valid receipt for a payment in redemption of stock.
