Other notes

- ¹ The *Superannuation and Family Benefits Act 1938* was repealed by the *State Superannuation Act 2000* s. 39 but its provisions continue to apply to and in relation to certain schemes because of the *State Superannuation (Transitional and Consequential Provisions) Act 2000* s. 26, and those provisions may be amended by regulations under s. 26(3). Part 9 of these regulations sets out amendments to those provisions. The text of the *Superannuation and Family Benefits Act 1938* as continued and amended under the *State Superannuation (Transitional and Consequential Provisions) Act 2000* s. 26 may be viewed at the following website: www.legislation.wa.gov.au.
- ² Formerly referred to the Workers' Compensation and Rehabilitation Commission constituted under the *Workers' Compensation and Rehabilitation Act 1981*. The name of the Commission was changed to WorkCover Western Australia Authority and the short title of the Act was changed to the *Workers' Compensation and Injury Management Act 1981* by the *Workers' Compensation Reform Act 2004* s. 5 and 81. The references were changed under the *Reprints Act 1984* s. 7(3)(gb) and (h).
- ³ Repealed by the *State Superannuation Act 2000* s. 39.
- ⁴ Repealed by the *Courts Legislation Amendment and Repeal Act 2004* s. 14.
- ⁵ The *Superannuation Legislation Amendment and Validation Act 2006* s. 19 reads as follows:

19. Validation of statutory membership of workers who ceased to be excluded

- (1) A person who —
- (a) when the *State Superannuation Regulations 2001* came into operation —
 - (i) was a worker; and
 - (ii) was excluded from becoming a statutory Member (as defined in those regulations) by the *State Superannuation Regulations 2001* regulation 51(2), (3) or (4);
 - and
 - (b) before the *State Superannuation Amendment Regulations 2006* came into operation, ceased to be so excluded,
- is taken to have become a statutory Member when he or she ceased to be so excluded.
- (2) Anything done or purported to have been done under the *State Superannuation Regulations 2001* before this Act came into operation in relation to a person to whom subsection (1) applies, is as valid as it would have been if the *State Superannuation Amendment Regulations 2006* had come into operation immediately after the *State Superannuation Regulations 2001* came into operation.

⁶ The *State Superannuation Amendment Regulations (No. 4) 2008* had not come into operation when it was deleted by the *State Superannuation Amendment Regulations 2009* Pt. 3.

⁷ The *State Superannuation Amendment Regulations 2006* r. 20(2) reads as follows:

- (2) If a preserved benefit of less than \$200 has not been paid because of the operation of regulation 76(4) (as in force before this regulation came into operation), the benefit ceases to be a preserved benefit when this regulation comes into operation even if, at that time, the benefit plus interest on it, is or exceeds \$200.
