- (3) The genuine need test specified in Schedule 3 for a firearm of category D prevents an approval or permit from being granted, or a licence from being issued, for the purposes of a firearm of that category forming part of a genuine firearm collection but a genuine need test specified for any other category of firearm does not prevent the Commissioner from being satisfied that a person has a genuine need to acquire or possess a firearm of that other category for the purposes of the firearm forming part of a genuine firearm collection.
- (4) If, for a particular category of firearms, Schedule 3 specifies any restriction on the grant of an approval or permit or the issue of a licence, an approval or permit cannot be granted and a licence cannot be issued except in accordance with that restriction.
