Swan and Canning Rivers Management Regulations 2007

Part 1 — Preliminary

1. Citation

These regulations are the *Swan and Canning Rivers Management Regulations 2007*.

Note: Under the *Interpretation Act 1984* section 25(3), these regulations take effect on the day on which the *Swan and Canning Rivers Management Act 2006* section 136 commences.

2. Terms used in these regulations

In these regulations —

commercial purpose means the purpose of sale or any other purpose that is directed to financial gain or reward;

commercial use means a use that is directed to financial gain or reward;

exhibit, in relation to a sign, includes —

(a) erect, place, stick, paint, stencil or affix at, on or to any place or thing; or

(b) display on a vehicle, vessel or inflatable object,

so as to be visible to a person in a public place;

permit means a permit granted under regulation 29;

private property means freehold land other than land owned by a Schedule 5 authority;

r. 2

public place includes any thoroughfare, pedestrian mall or place which the public are allowed to use, whether or not the thoroughfare or place is on private property;

sign means any placard, notice, model, board, device or representation, including any hoarding, bunting or flag, used wholly or partly for the purposes of advertising or promoting any thing or for an announcement or direction;

structure means any building, shelter, equipment, fence, path, jetty, mooring or other thing that is fixed to land or to anything that is fixed to land;

vehicle means any thing used or capable of being used to transport people or things by air, road or rail;

vessel means any thing used or capable of being used to transport people or things by water.

Part 2 — Development and regulation of related works, acts and activities

Division 1 — Development

3. Aircraft activities included in the definition of “development”

- (1) In this regulation —
aircraft means a machine that can derive support in the atmosphere from the reactions of the air but does not include a hovercraft.
- (2) The following acts or activities constitute development for the purposes of the definition of “development” in section 3 of the Act —
- (a) the landing or touching-down of an aircraft;
 - (b) the take-off of an aircraft;
 - (c) the standing, parking, docking or mooring of an aircraft;
 - (d) the embarkation of passengers onto or disembarkation of passengers from an aircraft;
 - (e) the loading of freight onto or the unloading of freight from an aircraft;
 - (f) the refuelling, servicing or repair of an aircraft.
- (3) Subregulation (2) does not include an act or activity urgently required to avoid or mitigate danger to public safety or significant damage to property or the environment.

4. Exclusions from the definition of “development”

The following works, acts and activities do not constitute development for the purposes of the definition of “development” in section 3 of the Act —

- (a) the exhibition of a sign, including a traffic control sign or device;

Swan and Canning Rivers Management Regulations 2007

Part 2 Development and regulation of related works, acts and activities

Division 1 Development

r. 4

- (b) repairs to or maintenance of an existing structure which —
 - (i) are not related to a change of use of any part of the structure; and
 - (ii) do not alter the structure's function or appearance;
- (c) the carrying out of work inside a building which is not related to a change of use of any part of the building and does not alter its external appearance;
- (d) works, acts and activities urgently required to avoid or mitigate danger to public safety or significant damage to property or the environment;
- (e) works, acts and activities undertaken —
 - (i) by a Schedule 5 authority for the purpose of controlling erosion; or
 - (ii) by any other person for the purpose of controlling erosion on private property that is contiguous with the River reserve;
- (f) the placement of temporary structures, including structures associated with spectator events, for a period not exceeding 6 months, and the removal of those structures;
- (g) works, acts and activities by Schedule 5 authorities that are not for commercial purposes or use and —
 - (i) are carried out in accordance with a management programme; or
 - (ii) are of a value of less than \$50 000;
- (h) acts and activities (other than those specified in regulation 3(2)) that do not involve the erection, construction, demolition, alteration or carrying out of any building, excavation, or other works, in, on, over or under land or waters;

- (i) fire hazard reduction (other than fire hazard reduction referred to in paragraph (j)), including the creation of access tracks for the purpose of fire hazard reduction;
- (j) fire control in the course of fighting a fire, including the making of fire breaks, providing access, burning or other means used to reduce fire hazards.

5. Development that may be approved by Trust

The following works, acts and activities are prescribed for the purposes of section 85(1) of the Act —

- (a) works that are not for commercial use and are carried out on private property;
- (b) the placement of temporary structures, including structures associated with spectator events, for a period exceeding 6 months but not exceeding 18 months, and the removal of those structures.

6. Form of application for approval

Schedule 2 Form 1 is prescribed for the purposes of section 72 of the Act.

7. Form of claim for compensation

Schedule 2 Form 2 is prescribed for the purposes of section 89(4) of the Act.

Division 2 — Regulation of works, acts and activities that are not "development"

8. Application of this Division

This Division does not apply to anything done in accordance with —

- (a) an approval for the purposes of section 70 of the Act; or

Swan and Canning Rivers Management Regulations 2007

Part 2 Development and regulation of related works, acts and activities

Division 2 Regulation of works, acts and activities that are not "development"

r. 9

- (b) a determination of the Western Australian Planning Commission under the Metropolitan Region Scheme clause 30A.

9. Signs

- (1) A person must not, unless the person has a permit to do so, exhibit a sign in the Riverpark or development control area.
Penalty: a fine of \$5 000.
- (2) Subregulation (1) does not apply to the following signs —
 - (a) a sign exhibited with the approval of a Schedule 5 authority that owns or has the care, control and management of the land on which the sign is exhibited if —
 - (i) the approval was given prior to the coming into operation of these regulations; and
 - (ii) the sign is not changed;
 - (b) a sign exhibited by a Schedule 5 authority;
 - (c) a sign exhibited in accordance with a requirement of a written law;
 - (d) a sign in relation to directions, or the construction, maintenance or use of roads, exhibited with the approval of the Commissioner of Main Roads;
 - (e) a sign exhibited for the duration of any works or activities for the purpose of giving advice or directions concerning matters of access or safety;
 - (f) a sign within a building;
 - (g) a sign providing a warning about security arrangements protecting premises or a facility;
 - (h) a sign exhibited on a notice board approved by the Trust for that purpose;
 - (i) a sign that complies with the requirements of a local law or local planning scheme relating to signs in the relevant

part of the Riverpark or development control area and is —

- (i) a newspaper or magazine poster; or
- (ii) a sign exhibited on a shop window; or
- (iii) a sign exhibited on street furniture or a bus shelter or seat; or
- (iv) an election sign; or
- (v) a real estate or property disposal sign; or
- (vi) a community information sign; or
- (vii) a direction sign; or
- (viii) a name plate; or
- (ix) a portable A frame sign or sandwich board not exceeding 1 metre²; or
- (x) a sign on a vehicle or vessel;
- (j) a sign exhibited —
 - (i) on land outside of the River reserve that is owned by or under the care, control and management of a Schedule 5 authority; and
 - (ii) in accordance with the approval or permission of that Schedule 5 authority; and
 - (iii) in the course of an event intended to attract spectators or participants or provide entertainment;
- (k) a sign exhibited in the River reserve in accordance with a permit granted under regulation 26;
- (l) a sign exhibited on a vehicle or vessel that —
 - (i) identifies the manufacturer or type of vehicle or vessel, or is the name of the vehicle or vessel; or
 - (ii) is within the Riverpark or the development control area for the purpose of delivering goods or services to an activity being lawfully

Swan and Canning Rivers Management Regulations 2007

Part 2 Development and regulation of related works, acts and activities

Division 2 Regulation of works, acts and activities that are not "development"

r. 10

- undertaken within the Riverpark or the development control area; or
 - (iii) is generally or principally intended for use in an event for which permission is required under the *Navigable Waters Regulations 1958* regulation 51C; or
 - (iv) is used for public transport or as a licensed taxi;
 - (m) a sign exhibited on clothing or personal items worn or carried by an individual.
- (3) The Trust may transfer a permit granted for the purposes of this regulation from one person to another.
- (4) The Trust may —
- (a) remove any sign exhibited in contravention of this regulation; and
 - (b) dispose of the sign so removed as it thinks fit.
- (5) If the Trust removes or disposes of a sign under subregulation (4), it may recover the cost of the removal or disposal in a court of competent jurisdiction from the owner of the sign.

10. Repairs and maintenance

- (1) In this regulation —
- park*** means —
- (a) land reserved under the *Land Administration Act 1997* Part 4; or
 - (b) a nature reserve or marine reserve as those terms are defined in the *Conservation and Land Management Act 1984*; or
 - (c) land owned by a Schedule 5 authority;

repairs to or maintenance of a structure, means repairs or maintenance that, but for regulation 4(b), would constitute development.

- (2) A person must not, unless the person has a permit to do so, undertake or cause to be undertaken in the Riverpark or development control area repairs to or maintenance of an existing structure.
Penalty: a fine of \$5 000.
- (3) This regulation does not apply to —
- (a) repairs to or maintenance of a structure that is wholly within private property; or
 - (b) repairs to or maintenance of a structure that is wholly within a park, if the repairs are undertaken or caused to be undertaken by a Schedule 5 authority that owns or has the care, control and management of the park; or
 - (c) repairs to or maintenance of a structure that is partly within private property and partly within a park, if the repairs are undertaken or caused to be undertaken by a Schedule 5 authority that owns or has the care, control and management of the park; or
 - (d) works referred to in regulation 4(c).

11. Emergency works

- (1) In this regulation —
emergency works, acts or activities means works, acts or activities that, but for regulation 4(d), would constitute development, but does not include an act or activity referred to in regulation 3(3).
- (2) A person must not, unless the person has a permit to do so, undertake or cause to be undertaken any emergency works, acts or activities in the Riverpark or development control area.
Penalty: a fine of \$5 000.

Swan and Canning Rivers Management Regulations 2007

Part 2 Development and regulation of related works, acts and activities

Division 2 Regulation of works, acts and activities that are not "development"

r. 12

- (3) Subject to any conditions and restrictions imposed on the permit, a permit granted for the purposes of this regulation is to be taken to include a permit to carry out any other works, acts or activities that are reasonably necessary for the purposes of carrying out the works, acts or activities in relation to which the permit is granted.
- (4) It is a defence to proceedings for an offence under this regulation if —
- (a) the person charged with that offence proves that —
 - (i) the person took all reasonable precautions to avoid the need for the emergency works, acts or activities; and
 - (ii) it was not reasonably practicable to obtain a permit before undertaking the emergency works, acts or activities; and
 - (iii) as soon as was reasonably practicable the person gave the Trust written notification of the emergency works, acts or activities;
 - or
 - (b) the person charged with that offence proves that the person applied for a permit in relation to the emergency works, acts or activities, and the court is of the opinion that the permit should have been granted.

12. Erosion control

- (1) In this regulation —
works means works that, but for regulation 4(e), would constitute development.
- (2) A person must not, unless the person has a permit to do so, undertake or cause to be undertaken on land that is in the development control area, works for the purpose of controlling erosion on private property that is contiguous with the River reserve.

Penalty: a fine of \$5 000.

- (3) A Schedule 5 authority must not, unless the authority has a permit to do so, undertake or cause to be undertaken on land that is in the Riverpark or development control area, works for the purpose of controlling erosion.

Penalty: a fine of \$5 000.

13. Temporary structures

- (1) In this regulation —

temporary structure means a temporary structure, the erection or placement of which would, but for regulation 4(f), constitute development of a kind described in paragraph (a) of the definition of “development” in section 3 of the Act.

- (2) A person must not, except in accordance with a permit, place or remove a temporary structure, including a structure associated with a spectator event, in the Riverpark or development control area.

Penalty: a fine of \$5 000.

14. Works by Schedule 5 authorities

- (1) In this regulation —

works means works that, but for regulation 4(g), would constitute development, but does not include works, acts or activities referred to in regulation 9, 10,12 or 15.

- (2) A Schedule 5 authority must not, unless the authority has a permit to do so, undertake works in the Riverpark or development control area.

Penalty: a fine of \$5 000.

15. Fire hazard reduction

- (1) In this regulation —

Swan and Canning Rivers Management Regulations 2007

Part 2 Development and regulation of related works, acts and activities

Division 2 Regulation of works, acts and activities that are not "development"

r. 15

fire hazard reduction means an activity that, but for regulation 4(i), would constitute development.

- (2) A person must not, unless the person has a permit to do so, undertake or cause to be undertaken fire hazard reduction in the Riverpark or development control area unless the fire hazard reduction is carried out —
- (a) in accordance with a management programme; or
 - (b) in the course of fighting a fire.

Penalty: a fine of \$5 000.

Part 3 — Protection of Riverpark and development control area

16. Application of this Part

This Part does not apply to anything done in accordance with —

- (a) an approval for the purposes of section 70 of the Act; or
- (b) a determination of the Western Australian Planning Commission under the Metropolitan Region Scheme clause 30A.

17. Commercial acts and activities

- (1) A person must not, unless the person has a permit to do so, undertake or cause to be undertaken an act or activity in the Riverpark or development control area if the act or activity is undertaken for a commercial purpose.

Penalty: a fine of \$5 000.

- (2) This regulation does not apply to an act or activity that —
 - (a) involves the erection, construction, demolition, alteration or carrying out of any building, excavation, or other works, in, on, over or under land or waters (in which case a different form of authorisation will be required); or
 - (b) is an act or activity undertaken in accordance with —
 - (i) a licence or permit granted under the *Conservation and Land Management Act 1984* section 101; or
 - (ii) a licence granted under the *Fish Resources Management Regulations 1995* Part 11 Division 1, 4 or 5.

18. Protection of banks of waters

- (1) A person must not, unless the person has a permit to do so, do or cause the doing of anything that is likely to bring about the

r. 19

collapse or movement of any part of the banks of waters in the Riverpark or development control area.

Penalty: a fine of \$5 000.

- (2) Without limiting subregulation (1), a reference in that subregulation to the doing of anything includes —
 - (a) the removal of any tree, shrub or other plant; and
 - (b) causing or permitting grazing by livestock.

19. Protection of river bed

- (1) A person must not, unless the person has a permit to do so, dig in the bed or subsoil beneath any waters in the Riverpark.

Penalty: a fine of \$5 000.

- (2) Subregulation (1) does not apply to —
 - (a) digging for the purpose of taking worms or invertebrates (although regulation 20 may apply); or
 - (b) anchoring vessels.

20. Taking of worms or other invertebrates

- (1) A person must not, unless the person has a permit to do so —
 - (a) dig for worms or other invertebrates in the Riverpark; or
 - (b) take worms or other invertebrates from the Riverpark if the worms or other invertebrates were obtained by digging.

Penalty: a fine of \$5 000.

- (2) This regulation does not apply —
 - (a) if —
 - (i) the worms or other invertebrates are dug up in the bed or subsoil beneath any waters that is at least 5 metres from any river bank and any vegetation; and

(ii) any other material dug from the bed or subsoil is returned to the location from which it was taken;

or

(b) in an area that is a park or reserve established under the *Conservation and Land Management Act 1984* (in which case, authorisation is required under that Act).

21. Protection of vegetation

(1) A person must not, unless the person has a permit to do so, destroy, pull up, cut back or injure any tree, shrub, aquatic plant or other perennial plant that is in the Riverpark or development control area.

Penalty: a fine of \$5 000.

(2) Nothing in subregulation (1) applies to anything done —

(a) in the normal operations of a farm, orchard, plantation, vineyard or other commercial agricultural operation; or

(b) for the purpose of routine maintenance of any reserve under the *Land Administration Act 1997* or the *Conservation and Land Management Act 1984*, land owned by a Schedule 5 authority or any garden or grassed area; or

(c) by way of removal of plants usually regarded as weeds; or

(d) by way of fire control in the course of fighting a fire, including the making of fire breaks, providing access, burning or other means used to reduce fire hazards; or

(e) by way of fire hazard reduction carried out in accordance with a management programme; or

(f) in the creation of access tracks for fire hazard reduction in accordance with a management programme.

r. 22

22. Launching of vessels

(1) In this regulation —

permitted launching place means —

(a) a boat ramp —

(i) approved under the *Swan River Trust Act 1988* or the *Swan and Canning Rivers Management Act 2006*; or

(ii) that was in existence at the commencement of the *Swan River Trust Act 1988*, and has not been altered in contravention of that Act or the *Swan and Canning Rivers Management Act 2006*,

and that is licensed to be used under the *Jetties Act 1926* section 7; or

(b) an area that is between 2 signs for the time being erected or established by the Trust and inscribed with words indicating that the launching of vessels from trailers is permitted and each having an arrow pointing generally towards the other sign;

trailer means a vehicle without its own motive power that is built to be towed, or is towed, by a vehicle.

(2) A person must not, unless the person has a permit to do so, launch a vessel directly from a trailer into any waters in the Riverpark or development control area except at a permitted launching place.

Penalty: a fine of \$5 000.

23. Use of vessel as living accommodation

A person must not use a vessel in waters in the development control area as living accommodation unless —

(a) the vessel is moored in an area approved by the Trust for the purposes of this regulation; or

- (b) the person does not use the vessel as living accommodation for —
 - (i) a period of more than 6 consecutive days; or
 - (ii) more than 10 days (which do not include any period of more than 6 consecutive days) in any period of 30 consecutive days that includes the period in which the offence is alleged to have been committed.

Penalty: a fine of \$5 000.

24. Use of Trust courtesy moorings

- (1) In this regulation —
 - commercial vessel* means —
 - (a) a vessel which is not used solely for pleasure or recreation; or
 - (b) a vessel the use of which is made, allowed or authorised in the course of a business or in connection with a commercial purpose;

length means the distance from the fore part of the hull to the after part of the hull taken at the upperside of the uppermost weathertight deck or, in the case of an open vessel, at the height of the gunwale;

Trust courtesy mooring means a buoy coloured orange and marked with the words “Swan River Trust, Courtesy Mooring, 4 hr limit” situated in the waters of the River reserve.

- (2) A person must not secure a vessel to a Trust courtesy mooring unless the vessel is secured to the mooring for less than —
 - (a) 4 consecutive hours; or
 - (b) 4 hours in any period of 6 hours.

Penalty: a fine of \$5 000.

r. 25

- (3) A person must not secure —
- (a) a commercial vessel; or
 - (b) a vessel more than 20 metres in length,
- to a Trust courtesy mooring.
Penalty: a fine of \$5 000.

25. Litter

- (1) In this regulation —
litter has the meaning given to that term by the *Litter Act 1979*.
- (2) A person must not deposit litter, or cause litter to be deposited, in the Riverpark unless the litter is deposited in a place or receptacle set aside or provided for that purpose.
Penalty: a fine of \$5 000.
- (3) A person must not deliberately break any glass, metal or earthenware object in the Riverpark.
Penalty: a fine of \$5 000.

26. Organised events

- (1) In this regulation —
organised event includes the following —
- (a) a fete;
 - (b) a concert;
 - (c) a spectator event;
 - (d) a public meeting;
 - (e) any other organised event that is intended to attract spectators or participants or provide entertainment.

- (2) A person must not, unless the person has a permit to do so, organise or hold an organised event on land in the Riverpark or development control area, or promote such an event.
Penalty: a fine of \$5 000.
- (3) A permit for the purposes of this regulation may include a permit to exhibit signs in a manner and form specified in the permit.
- (4) Subregulation (2) does not apply —
- (a) in relation to an event for which permission is required under the *Navigable Waters Regulations 1958* regulation 51C; or
 - (b) an event on land owned by or under the care, control and management of a Schedule 5 authority.

Part 4 — Permits

27. Application for permit for purposes of regulation 11

- (1) In this regulation —
in writing includes by fax or electronic mail;
orally includes by telephone, radio or video conference.
- (2) An application for a permit for the purposes of regulation 11 may be made to the Trust orally or in writing.
- (3) The permit may be given to the applicant orally or in writing.
- (4) If the applicant is given a permit orally, the Trust must give the applicant a permit in writing as soon as practicable after giving the permit orally.
- (5) The Trust may refuse to accept an application under this regulation and require the application to be made under regulation 28.

28. Application for permit

- (1) Except as provided in regulation 27, an application for a permit must —
 - (a) be made in a form and in the manner approved by the Trust; and
 - (b) provide the information required by the form; and
 - (c) be lodged with the Trust together with any application fee prescribed under these regulations.
- (2) The Trust may require an applicant to provide additional information reasonably related to an application before determining the application.
- (3) The Trust may refuse to consider an application which is not in accordance with subregulation (1) or where an applicant has not complied with subregulation (2).

29. Grant of permit

- (1) The Trust may grant, or refuse to grant, a permit to carry out an activity for which a permit is required under these regulations.
- (2) A permit may be granted in combination with other permits.

30. Duration of permit

Subject to these regulations, a permit has effect for the period specified in the permit.

31. Conditions and restrictions

- (1) The Trust may impose conditions and restrictions on a permit.
- (2) Conditions and restrictions imposed on a permit must be endorsed on or attached to the written permit.
- (3) The holder of a permit who contravenes a condition or restriction imposed on the permit commits an offence.
Penalty: a fine of \$5 000.

32. Clerical amendment of permit

- (1) The Trust may amend a permit by correcting in the permit a clerical mistake or unintentional error or omission.
- (2) A permit may be amended on application by the holder of the permit or on the initiative of the Trust.

33. Revocation or suspension of permit

- (1) The Trust may revoke or suspend a permit.
- (2) The grounds for revocation or suspension of a permit are that —
 - (a) the Trust is satisfied that there has been a breach of any of the conditions or restrictions to which the permit is subject; or

r. 34

- (b) information contained in or supporting the application for the permit was false or misleading in a material respect.

34. Manner of revocation or suspension

- (1) Before revoking or suspending a permit the Trust must give the holder of the permit a written notice under this regulation.
- (2) The notice must —
 - (a) state details of the proposed action including, in the case of a proposed suspension, the proposed period of suspension; and
 - (b) invite the holder to make representation to the Trust to show why the action should not be taken; and
 - (c) state the period (at least 14 days after the notice is given to the holder) within which representations may be made.
- (3) The representations must be made in writing.
- (4) The Trust may take the proposed action —
 - (a) at any time after the holder of the permit gives the Trust written notice that the holder does not intend to make any representations or further representations; or
 - (b) if such notice is not given, after the end of the period stated in the notice within which representations may be made.
- (5) The Trust must consider any representations properly made by the holder of the permit.
- (6) The Trust must give the holder of the permit written notice of any revocation or suspension of the permit.

35. Immediate suspension

- (1) This regulation applies, despite regulation 34 and whether or not action has been commenced under that regulation, if the Trust

considers it necessary to suspend a permit immediately because there is an immediate and serious risk of harm to the ecological and community benefits and amenity of the Riverpark or development control area.

- (2) The Trust may, by written notice given to the holder of a permit, immediately suspend the permit until the earlier of the following —
 - (a) the time at which the Trust informs the holder of the Trust's decision under regulation 34;
 - (b) the end of the period of suspension specified in the notice.
- (3) The notice must —
 - (a) specify a period of suspension not exceeding 6 weeks; and
 - (b) state that the holder may make written representations to the Trust about the suspension.
- (4) The Trust must consider any written representations made to it by the holder about the suspension.
- (5) The Trust may revoke the suspension at any time, whether or not in response to any written representations made to it by the holder.

36. Transitional — existing approvals

Any approval of the Trust given under the *Swan River Trust Regulations 1989* and of effect immediately prior to the coming into operation of these regulations has effect as if it were a permit under these regulations.

Part 5 — Infringement notices

37. Prescribed offences

The offences specified in Schedule 1 are offences for which an infringement notice may be issued under section 123 of the Act.

38. Modified penalties

The modified penalty to be specified in an infringement notice issued for an offence is the modified penalty set out for that offence in Schedule 1.

39. Form of infringement notice

Schedule 2 Form 3 is prescribed for the purposes of section 123(3)(a) of the Act.

40. Form of notice of withdrawal of infringement notice

Schedule 2 Form 4 is prescribed for the purposes of section 123(7) of the Act.

Part 6 — Other matters

41. Penalty for continuing offence

For each separate and further offence committed by a person under the *Interpretation Act 1984*, the penalty is a fine of \$100.

42. Prescribed rate of interest — section 103(4)

The rate of interest for the purposes of section 103(4) of the Act is —

- (a) the rate of interest prescribed under the *Civil Judgments Enforcement Act 2004* section 8(1)(a); or
- (b) 6% per annum,

whichever is the higher rate.

43. Conflict with other Acts

- (1) If a Schedule 5 authority proposes to exercise a power conferred on the Schedule 5 authority by a written law that is in conflict with a provision of the Act (other than a provision of Part 5 of the Act), the Schedule 5 authority must give written notification to the General Manager of the proposal —
 - (a) if the Schedule 5 authority becomes aware of the conflict more than 30 days before the power is to be exercised — at least 30 days before exercising the power; or
 - (b) otherwise — as soon as practicable after becoming aware of the conflict.
- (2) The notification must —
 - (a) state the particulars of the conflict, including —
 - (i) the provisions of the Act and the other written law that are in conflict; and
 - (ii) the situation that has given rise to the conflict;
 - and

r. 44

- (b) be accompanied by any written advice the Schedule 5 authority has received in relation to the conflict.
- (3) In the case of a Schedule 5 authority that is a statutory authority, the notification may be given by the person or body (however described) having the general direction and control of, and the overall responsibility for, the operations of the statutory authority.
- (4) This regulation does not affect the law relating to legal professional privilege.

44. River reserve leases

- (1) The Trust may, by way of renewal or further renewal of a lease granted with the approval of the Minister under section 29 of the Act, grant a lease of land that is part of the River reserve —
 - (a) for a period not exceeding the term of the lease that is renewed; and
 - (b) on the terms and conditions to which the lease was subject before its renewal.
- (2) The Trust may grant a sublease of a lease granted with the approval of the Minister under section 29 of the Act if the terms and conditions of the sublease are consistent with the lease.

45. *Swan and Canning Rivers Management Act 2006 Schedules 2 and 3 amended*

- (1) The *Swan and Canning Rivers Management Act 2006* Schedule 2 is amended by deleting “Deposited Plan 47465” and inserting instead —

“ Deposited Plan 47465 version 3 ”.
- (2) The *Swan and Canning Rivers Management Act 2006* Schedule 3 is amended by deleting “Deposited Plan 47465” and inserting instead —

“ Deposited Plan 47465 version 3 ”.

46. Repeal

The *Swan River Trust Regulations 1989* are repealed.
