## **Railway (Northern and Southern Urban Extensions) Act 1999**

---

**No. 49 of 1999**

---

**An Act to authorize the construction of a railway from Currambine to Butler to extend the Perth-Joondalup Railway and a railway from Jandakot to Rockingham and from Rockingham to Mandurah.**

*[Assented to 8 December 1999]*

The Parliament of Western Australia enacts as follows:

### **1. Short title**

This Act may be cited as the *Railway (Northern and Southern Urban Extensions) Act 1999*.

**s. 2**

---

**2. Commencement**

This Act comes into operation on the day on which it receives the Royal Assent.

**3. Authority to construct railway (Currambine-Butler) and for railway to deviate**

- (1) A railway, and all necessary, proper and usual works and facilities in connection with the railway, may be constructed and maintained along the line described in Schedule 1.
- (2) Despite the deviation specified in section 96(1) of the *Public Works Act 1902*, the railway may deviate to a distance of 2 kilometres on either side of the line described in Schedule 1.

**4. Authority to construct railway (Jandakot-Rockingham-Mandurah) and for railway to deviate**

- (1) A railway, and all necessary, proper and usual works and facilities in connection with the railway, may be constructed and maintained along the line described in Schedule 2.
- (2) Despite the deviation specified in section 96(1) of the *Public Works Act 1902*, the railway may deviate to a distance of 4 kilometres on either side of the line described in Schedule 2.

**Schedule 1 — Line of Currambine-Butler Railway**

[s.3]

The line of the railway commences at a point about 27.3 kilometres along the Perth to Joondalup railway line, as described in the Schedule to the *Perth-Joondalup Railway Act 1989*, that is just south of Burns Beach Road, Currambine, and proceeds in a generally north-westerly direction through a combined railway-controlled access highway reserve for a distance of about 9 kilometres to a point, near Australian Map Grid coordinates 378350 East and 6498000 North, that is just north of Lukin Drive, Butler.

The course to be taken by the railway is shown as a red line on Department of Transport map number 1040-00-10 Rev D.

**Schedule 2 — Line of Jandakot-Rockingham-Mandurah  
Railway**

[s. 4]

The line of the railway commences at a point about 29.7 kilometres along the Kewdale to Kwinana railway line, as described in the Fourth Schedule to the *Railways (Standard Gauge) Construction Act 1961*, and proceeds in a generally southerly direction along the median strip of the Kwinana Freeway for a distance of about 15 kilometres to a point near Australian Map Grid coordinates 391352 East and 6433947 North then, leaving the median strip, proceeds in a generally south-westerly direction for a distance of about 10 kilometres to a point near Australian Map Grid coordinates 384870 East and 6428090 North near Dixon Road, Hillman, then proceeds in a generally southerly direction for a distance of about 29 kilometres and terminates at a point near Australian Map Grid coordinates 382068 East and 6400291 North so that the overall distance from the commencement point to the termination point is about 54 kilometres.

The course to be taken by the railway is shown as a red line on Department of Transport map number 936-00-13.
