### **7.        Election of members of Council**

- (1) The returning officer for the time being shall, in the month of March in each year, conduct an election to fill the vacancies in the offices of members of the Council that occur by effluxion of time in that year.
- (2) A person elected to fill a vacancy occurring by effluxion of time shall hold office for a term of 3 years from 31 March in the year in which he is elected.
- (3) Any member who retires from the Council or whose term of office expires by effluxion of time shall, subject to the Act, be eligible for re-election to the Council.
- (4) Subject to subregulations (5) and (6), where an extraordinary vacancy occurs such vacancy shall be filled by election of a pharmaceutical chemist in the manner prescribed for elections generally, and the member so elected shall hold office for the residue of the term during which the member in lieu of whom he is elected would have held office.

- (5) Where an extraordinary vacancy in the office of a member occurs within 3 months of the date on which the office would have become vacant by effluxion of time the vacancy shall be deemed to have occurred by effluxion of time and shall be filled at the next annual election of members of the Council.
- (6) Where in any year one or more extraordinary vacancies occur within 3 months before those occurring by effluxion of time in that year, one election may be conducted to fill all vacancies.

- (1) Notice of every election shall be posted to every financial member of the Pharmaceutical Society at his last known address.

**r. 9**

---

- (2) The notice shall state —

*[Regulation 8 amended in Gazette 27 Jun 1997 p. 3103.]*

*Nominations*

**9. Form of nomination**

- (1) If the number of persons nominated is not greater than the number required to fill the vacancies, the returning officer shall forthwith make a return to the registrar, and declare the person or persons nominated to be elected as members.
- (2) If the number of persons so declared to be elected is insufficient to fill the vacancies, the retiring president shall so report to the Governor in Council, who may thereupon appoint one or more qualified persons to fill such vacancy or vacancies.

**11. Ballot papers**

- (1) If the number of persons nominated is greater than the number required to fill the vacancies, a poll shall be taken by the returning officer, who shall cause ballot papers and counterfoils to be printed in the form of Form 2 in Appendix A.
- (2) The returning officer shall send one ballot paper and counterfoil, initialled or authenticated in some other way by him, together with one unfastened envelope marked “Ballot Paper”, and another unfastened envelope with the address of the returning

officer printed thereon, by post in a sealed envelope to the address appearing in the register of every pharmaceutical chemist registered by the Council.

- (3) A voter shall indicate on his ballot paper the candidate or candidates for whom he votes by striking out clearly and distinctly the names of the candidate or candidates for whom he does not vote, but leaving untouched the same number of names on the ballot paper as there are vacancies to be filled.
- (4) A voter having marked his ballot paper in the manner prescribed by subregulation (3) shall then —

  - (b) place the ballot paper in the envelope marked “Ballot Paper” and seal the envelope;

- (3) Where votes are recorded on a ballot paper for more or less candidates than the number of candidates to be elected the returning officer shall declare the votes cast in that ballot paper to be invalid and shall not count those votes, except that where a candidate withdraws from an election between the date of nomination and the date of the election the votes cast in a ballot paper shall not be invalid by reason only that a vote has been cast in favour of such withdrawn candidate.
- (4) Having counted the votes the returning officer shall duly declare elected the candidates (not exceeding the number of vacancies) who have received the greatest number of valid votes or, in the event of an equal number of valid votes being received by 2 or more candidates, the candidate or candidates in whose favour he exercises his casting vote or votes.
