- (C) the Ministers have also established principles that are to apply to the provision of housing assistance under this Agreement, namely—

PART IV—FINANCIAL ASSISTANCE.

8. (1) During the financial years of this Agreement the Commonwealth will provide financial assistance to the States for housing purposes by way of advances upon and subject to the terms of this Agreement in order to assist the States in the achievement of the objective of this Agreement.

(2) The financial years of this Agreement shall be the three financial years commencing on the first day of July in the years 1978, 1979 and 1980.

9. Of the total amount of the advances by the Commonwealth to the State under this Agreement in respect of a financial year, portion (referred to as advances for rental housing assistance) shall be for allotment by the State for the provision of rental housing in accordance with Part V and the other portion (referred to as advances for home purchase assistance) shall be for payment into the Home Purchase Assistance Account established by the State for application in accordance with Part VI.

10. (1) Each State shall, not later than the thirtieth day of November preceding the beginning of a financial year of this Agreement, inform the Minister of the amounts that the State wishes the Commonwealth to advance it under this Agreement in respect of the financial year for rental housing assistance and home purchase assistance programs of the State and at the same time shall provide estimates of financial performance and planned programs for that year.

(2) After consultation with the State Ministers of the States and after considering State requirements and practices but without regard to any operating surpluses on rental housing assistance operations under previous housing arrangements and under this Agreement or on the operations of the Home Builders' Accounts or the Home Purchase Assistance Account under those arrangements or under this Agreement, the Minister shall determine the total amount to be advanced to the State under this Agreement in respect of the financial year.

(3) In consultation with the State Minister the Minister shall determine and may in like manner at any time vary the allocation between rental housing assistance and home purchase assistance of the total amount of the advances to be made by the Commonwealth to a State under this Agreement in each financial year of this Agreement but the amount of home purchase assistance to be made to a State in respect of the financial year commencing on the 1st day of July 1980 shall not be less than 40 per centum of the total amount of the advances to be made by the Commonwealth to the State under this Agreement in respect of that financial year.

11. The advances to be made by the Commonwealth to a State under this Agreement in respect of a financial year shall be made available by the Commonwealth during that financial year by equal monthly instalments unless otherwise agreed between the Minister for Finance of the Commonwealth and the Treasurer of the State.

12. (1) Each advance made by the Commonwealth to a State under this Agreement or so much of each advance as for the time being remains unrepaid by the State shall until repayment as provided in clause 13 bear interest computed from the date upon which the advance is made.

(2) The rate of interest shall be—

- (a) in respect of rental housing assistance—5 per centum per annum; and
- (b) in respect of home purchase assistance—4½ per centum per annum.

(3) A State will on the thirty-first day of December and the thirtieth day of June of a financial year during which advances are made to the State by the Commonwealth under this Agreement pay to the Commonwealth the interest that has accrued on those advances up to the date of the payment of the interest.

13. (1) Each State will repay to the Commonwealth the amount of each advance made to the State under this Agreement and will pay the interest thereon as provided in clause 12, other than that payable under sub-clause (3) of that clause, by equal annual instalments of principal and interest so that the amount of the advance, together with the interest, will be repaid in 53 years from the beginning of the financial year next succeeding the financial year in respect of which the advance was made, the first such instalment being payable on or before the end of the financial year next succeeding the financial year in respect of which the advance was made.

(2) Accounting procedures in respect of the repayment of advances will be as agreed upon between the Minister for Finance of the Commonwealth and the Treasurer of each State, or in default of agreement, as determined by the Minister for Finance of the Commonwealth, but nothing in this sub-clause shall affect the other provisions of this Agreement.

(2) Without prejudice to the generality of sub-clause (1) or conveying any implication that funds are or are to be made available by the Commonwealth for, or are to be applied by the State for, any particular purpose or purposes or in any order of priority, the particular purposes for which rental housing funds may be used by the State to give effect to sub-clause (1) include the following purposes—

- (k) to lease housing from the private housing sector;
- (l) to provide housing advisory services related to public housing; and
- (m) any other purposes, including special housing needs or innovative practices, agreed upon between the Minister and the State Minister.

17. The conditions of eligibility of persons for rental housing assistance shall be determined by the State and shall ensure that assistance is directed to those applicants most in need of such assistance.

18. (1) The rates at which rents are payable by tenants of rental housing shall be determined by the State which when making any such determination shall have regard to a policy of generally relating rents to rates of rental on the open market.

(2) Rental rebates are to be granted to tenants who are not able to afford the rent determined in accordance with sub-clause (1) and the Commonwealth and the States will jointly seek ways of establishing a uniform approach to the calculation of such rental rebates.

(3) The rates of rental shall, as far as practicable, be—

- (i) reviewed annually; and

19. (1) Where in respect of any financial year the rental housing operations of the State result in a surplus of revenue after allowing for rental rebates over outgoings, that surplus shall be separately identified to the Commonwealth and shall be included in rental housing assistance funds as provided in paragraph (b) of clause 15 for application in accordance with clause 16.

(2) Outgoings for the purposes of this clause shall consist of those normally incurred or provided for in rental housing operations and shall include repayments of principal and interest, maintenance, dwelling improvements, municipal rates and administrative expenses.

21. Each State shall in respect of each financial year furnish to the Commonwealth by the 30th November next occurring after that year a statement which shows the origin of rental housing assistance funds available during the year and the manner in which they were applied and which is certified as to its correctness by a person appointed by the State Minister for that purpose.
