LG501**BUSH FIRES ACT 1954****YOUR RESPONSIBILITIES**

Important Notice to All Owners and/or Occupiers of Land Within the City of Vincent

Please help us keep Vincent fire safe this season.

Pursuant to the powers conferred in Section 33 of the *Bush Fires Act 1954* Western Australia, you are required on or before the 31st day of October 2026, and thereafter up to and including the 30th day of April 2027, to clear inflammable matter on land owned and/or occupied by you in accordance with the following requirements—

1. All land which is 2000m² or less in area—
Remove inflammable matter from the whole of the land, except living trees and shrubs; plants under cultivation and lawn, by means of ploughing, cultivating or slashing to a height of no more than 50mm.
2. All other land within the City of Vincent exceeding 2000m² (larger than average residential block size)
3.
 - (i) Firebreaks of a minimum width and height of 3 metres are to be cleared immediately inside all external boundaries of the land;
 - (ii) **Firebreaks to a minimum width of 3 metres and height of 3 metres are to be cleared immediately surrounding all buildings situated on the land; and any place where inflammable liquids and gas products are kept.**

In addition to the requirements in this notice, the City may, by notice in writing, require an owner and/or occupier to act as and when specified in the notice with respect to anything which is upon land and which in the opinion of the City is or is likely to be conducive to the outbreak of a bush fire or the spread or extension of a bush fire.

The term “Inflammable Matter” for the purpose of this notice includes bush (as defined in the *Bush Fires Act 1954*), timber, boxes, cartons, paper, rubbish and any other combustible or inflammable matter, but does not include buildings, green standing trees and bushes or growing bushes or plants in gardens or lawns.

All land within the City of Vincent must be cleared on or before the 31st day of October in any year and thereafter maintained clear of inflammable matter up to and including the 30th day of April in the following year.

If, for any reason, an owner and/or occupier considers it impractical to clear the land or comply with other fire protection measures in accordance with the notice, the owner and/or occupier may apply in writing to the City no later than the 31st day of October in any year for a variation. If permission is not granted in writing by the City or its authorised officer, the owner and/or occupier must comply with the requirements of this notice. Any variation granted by the City will apply only for a single Firebreak Period. A variation granted by the City shall only remain in force until the 30th day of April in the following year.

The penalty for failing to comply with this notice is a fine of not more than \$5,000.00 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

Pursuant to Sections 24G(2) and 25(1a) of the *Bush Fires Act 1954*, the burning of garden refuse and lighting of fires in the open air is prohibited within the districts of the City of Vincent between the 31st day of October 2026 and the 30th day of April 2027.

BUSH FIRES ACT 1954*Shire of Harvey***FIREBREAK NOTICE****Responsibilities**

Landowners are required to carry out fire prevention work in accordance with the requirements of this Notice, on or before 30 November 2026, pursuant to Section 33 of the *Bush Fires Act 1954*. You have a responsibility to manage your property to reduce the risk of bushfires. This Notice explains the actions you must take to manage your property and the dates when those actions must be adhered to.

Compliance

The Shire will inspect properties for compliance from 1 December 2026. Failure to comply with the requirements of this Notice is an offence under Section 33 of the *Bush Fires Act 1954* and may result in enforcement action. The maximum penalty is \$5,000. Where the owner or occupier fails to comply, the Shire may enter the land, carry out required works, and recover costs incurred from the owner and/or occupier of the land.

Variations to Firebreak Requirements

If you are unable to comply, you may apply to the Shire by 1 November 2026 for approval to provide firebreaks in alternative locations or undertake alternative fire hazard reduction measures. Applications must be submitted using the form available at harvey.wa.gov.au/services/fire-and-emergency-management. Unless approved in writing by the Shire, you must comply.

Special Work Orders

The Shire retains the ability to issue Special Work Orders with this Notice pursuant to Section 33 of the *Bush Fires Act 1954*, to landowners should additional works be necessary for fire hazards on a property. These can be issued at any time. Properties subject to an approved Bushfire Management Plan as a condition of subdivision or development approval, or approved treatment plan, must comply with the requirements of that plan and this Notice unless otherwise approved in writing by the Shire.

Rural land

Firebreaks must be at least 3m wide with a minimum vertical clearance of 4m and maintained in the following positions—

- Located within 10m of all boundaries of the property/land.
- So as to divide the land into areas of not more than 120ha.
- Around groups of buildings, haystacks and fuel installations but not closer than 6m.

Irrigated Land

Irrigated land kept fully watered and maintained in a non-flammable state for the entire Restricted and Prohibited Burning periods may not require a firebreak.

Fuel and gas depots

Maintain the land clear of flammable materials for 20m from any edge of the storage unit.

Plantations

Provide 15m wide firebreaks immediately adjoining to external boundaries of the planted area. The outer 10m should be cleared of flammable material while the inner 5m (closest to the trees) kept in a reduced fuel state. Provide internal 6m wide firebreaks so as to divide the land into areas of not more than 30ha.

Urban Development/Residential exceeding 2024m²

Firebreak of at least 2m wide with a 4m high vertical clearance must be provided and maintained in a non-flammable state within 6m of the property boundaries. Cleared hardstand areas and reticulated grassed areas maintained in a green state are acceptable.

Urban Development/Residential 2024m² or less

Flammable material on the property (noting that this does not include living, standing trees, shrubs, plants and lawn under cultivation) is to be reduced and maintained to a height of less than 5cm.

Definitions**Firebreak**

A strip of land which has been cleared of all flammable material such as wood, leaves and grass that is likely to be ignited and capable of burning. It must be trafficable, meaning it must be accessible by a fire appliance and cleared of vegetation without any obstruction to the vehicle. Firebreaks should be designed to allow safe access for firefighting vehicles wherever practicable.

Flammable materials

Accumulated fuel such as leaf litter, twigs, bark, grass over 5cm high, timber boxes, cartons, paper and any combustible material, capable of carrying a running fire but excludes living standing trees and shrubs.

Urban Development/Residential Land

Land within a townsite or urban area, including land zoned Residential, Urban Development, Commercial and Industrial.

Rural land

Includes land zoned Rural, Rural Residential and Priority Agriculture.

Flammable fuel storage

Includes all petroleum-based liquids, Liquefied Petroleum Gas, Liquefied Natural Gas, any other combustible liquid or gaseous fuel.

Hay stack

Any collection of hay including fodder rolls placed or stacked together that exceeds 100m³ in size (eg. 5m x 5m x 4m) whether in a shed, other structure or in the open air.

Strip of land

Land cleared of flammable materials, such as wood, leaves and grass that is likely to be ignited and capable of burning; it must be maintained throughout the period.

Irrigated land /hard stand/reticulated grass

Land that is kept fully watered and maintained in a non-flammable state for the entire Restricted and Prohibited burning periods.

Plantation

Any area exceeding 3ha planted for commercial gain. Including pine, eucalypt or other commercial value trees, excluding orchards and vineyards.

Special risks

Areas that adjoin public roads, railway reserves and power lines.

Trafficable

Capable of supporting the safe passage of a four-wheel drive fire appliance under normal operating conditions.

Vertical Clearance

A continuous vertical uninterrupted line at a right angle to the horizontal line of the firebreak.

Burning of Garden Refuse

Not permitted during the Prohibited Burning Period, Total Fire Bans or when the Fire Danger Rating is HIGH or above.

- The person intending to light the fire must telephone the Department of Fire and Emergency Services on 9395 9209 and register the burn immediately prior to lighting the fire. The fire shall only be lit between 6pm and 11pm and completely extinguished before midnight on the same day;
- There is no flammable material (other than that being burnt) within three (3) metres of the fire
- Only one pile (up to one (1) cubic metre in size) of garden refuse may be burnt at any one time;
- At least one person must remain in attendance until the fire is completely extinguished;
- The fire may only be lit on privately owned land;
- Wind conditions must be light (below 20 km/h) and smoke must not cause a nuisance to neighbours.

Gas and electric barbecues

Enclosed gas and electric barbecues may be used throughout the year, including during a Total Fire Ban, provided they are—

- used for cooking only;
- fitted with an enclosed flame; and flame or heating element is fully enclosed by the appliance
- operated at a private residence or an authorised public barbecue area.
- Barbecues with exposed flames must not be used during a Total Fire Ban.

Campfires, fire pits, wood-fired barbecues and pizza ovens

These appliances may only be used for cooking during the Unrestricted and Restricted Burning Periods. They must not be used—

- during the Prohibited Burning Period;
- during Total Fire Bans or during a Harvest and Vehicle Movement Ban; or
- when the Fire Danger Rating is High or above.

When in use—

- maintain a minimum 5m clearance from inflammable material;
- keep a suitable means of extinguishment immediately available;
- remain in attendance at all times and;
- take reasonable precautions to prevent smoke from causing a nuisance.
- during the Restricted Burning Period, appliances can only be used between the hours of 6:00pm and 11:00pm and extinguished by midnight that day. Exemptions may apply

Permit to burn

During the Restricted Burning Period, a permit is required to burn grass, paddocks, or bush. Permits must be requested at least 72 hours in advance from your local Bush Fire Control Officer. Permits are issued in writing and are only valid for the dates specified. If a permit is refused, you cannot reapply for the same burn but may request the Chief Bush Fire Control Officer review the decision. All permit holders must comply with the following conditions, and special conditions outlined in the permit.

- The person intending to light the fire must telephone the Department of Fire and Emergency Services on 9395 9209 and register the burn immediately prior to lighting the fire;
- Contact the Shire Administration Centre no later than 24 hours prior to the day when the proposed burn is to take place.
- Weekend burning must be notified by Friday at 4pm on 9729 0300.
- Notify the owner and/or occupier of adjoining land at least four days, but no more than 28 days, before burning. If notice is given verbally, a shorter notice period may be agreed between both parties.
- Contact the nearest Department of Biodiversity Conservation and Attractions (DBCA), if the land is situated within 3km of State Forest Land, National Parks, Nature Reserve and other DBCA lands on 9735 1988.
- Burning under permit is permitted during the Restricted Burning Period on Sundays and Public Holidays.

During the Restricted Burning Period, you must register the burn with the Department of Fire and Emergency Services on 9395 9209 immediately before lighting it. At least one person must remain in attendance and be contactable by mobile phone, with a suitable water source on-site ready to control or extinguish the fire.
