BUSH FIRES ACT 1954*City of Cockburn***FIRE BREAK AND HAZARD REDUCTION NOTICE**

Pursuant to section 33 of the *Bush Fires Act 1954*, owners or occupiers of land situated within the City of Cockburn are required to comply with the below requirements—

The requirements of this notice are in place for the period between 1 November 2026 and 15 April 2027, inclusive.

1. All property (vacant or developed) –less than 4047m²

To reduce the fire hazard on your land you are required to;

Have all flammable material such as dry grass and weeds slashed, mown or trimmed down by other means to a maximum height of 50mm across the entire property for the duration of this Firebreak Time; and

Remove all dead vegetation.

2. All property (vacant or developed)—4047m² or greater

To reduce the fire hazard on your land you are required to;

Construct a Firebreak immediately inside all external property boundaries, this includes those adjacent to roads, drains, rail reserves and any public open space reserves; and

Remove all dead vegetation surrounding and over all habitable structures to a radius of 3 metres except living trees, shrubs, maintained grass and gardens under cultivation.

3. Firebreak Specifications

A Firebreak is an area of land cleared of flammable material, installed to minimise the spread or extension of a fire and to provide suitable access for fire fighting vehicles. The standards of a compliant Firebreak are as follows;

A Firebreak must be constructed of bare earth, stone, or sealed surfaces and be clear of all flammable materials to create a 3-metre wide trafficable surface;

Maintained grass may occupy a Firebreak;

Overhanging branches must be pruned to provide a 4 metre vertical clearance above the full width of the 3 metre Firebreak surface; and

A Firebreak must be a continuous trafficable surface for a fire fighting vehicle, clear of any obstructions and must not terminate in a cul-de-sac (dead end).

4. Additional Works

Regardless of land size and location, an officer authorised by the City of Cockburn may require you to undertake additional work(s) on your property where those works would be conducive to preventing the outbreak and/or the spread or extension of a fire.

5. Penalties

Failing to comply with this Fire Control Order may result in a Court-imposed penalty of up to \$5,000. A Bush Fire Control Officer or other officer authorised by the City of Cockburn, or their agents/contractors, may enter onto land to undertake work required by this notice if not done by the date specific in this notice. Any costs incurred by the City of Cockburn as a result are payable by the owner or occupier.

Any owner and/or occupier who engages a contractor to undertake works on their behalf is responsible to ensure that the works completed meet the requirements of this notice.

The requirements of this notice supersede any requirements issued previous under a previous section 33 notice.

This information is available on the City of Cockburn's website: www.cockburn.wa.gov.au/fire or by contacting 08 9411 3444.

6. Definitions

Flammable material means any dead or dry grass, vegetation, substance, object, thing, or material (except for living flora including live and/or habitat standing trees) that may or is likely to catch fire and burn or any other thing deemed by an Authorised Officer to be capable of combustion.

Dead vegetation means vegetation that is no longer living and includes dead trees, shrubs, grasses, lead litter, fallen branches and other dead plant material.

Habitable structure has the meaning of habitable building meaning a building that is capable of being occupied by people for residential, commercial, community or workplace purposes.
