Fuel, Energy and Power Resources (Declaration of State of Emergency) Order (No. 2) 2026

PREAMBLE

1. On 1 April 2026, the Governor made the *Fuel, Energy and Power Resources (Declaration of State of Emergency) Order 2026* (the **April 2026 order**), by which the Governor declared a state of emergency to exist in the whole State.
2. The Governor is again satisfied that, by reason of armed conflict and other events and circumstances in Iran, the Persian Gulf and other places in and near the Middle East, the provision, supply or distribution of the resource of fuel in or to the State is being, or is likely to be, affected and the community or a substantial portion of the community is being or may be deprived of essential supplies or services or a shortage may result (see paragraph 1 of the Preamble to the April 2026 order).
3. The Governor is again satisfied that, by reason of disruption of shipping services in the Persian Gulf and other places in and near the Middle East, the provision, supply or distribution of the resource of fuel in or to the State is being, or is likely to be, affected and the community or a substantial portion of the community is being or may be deprived of essential supplies or services or a shortage may result (see paragraph 2 of the Preamble to the April 2026 order).
